Re: News item in the " Website-www.moneycontrol.com" dated May 7, 2021, captioned "CCI orders probe against Tata Motors for alleged unfair biz practices"

With reference to your letter NSE/CM/Surveillance/10673 dated May 7, 2021 seeking clarification/confirmation in respect of the above news item, at the outset we would like to inform that the information is not considered material as prescribed in Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

The Company on the aforesaid matter has made an official statement on May 5, 2021 as detailed below:

"We have learnt that the Competition Commission of India ("CCI") has passed an order directing the Director General, CCI to initiate investigation against Tata Motors Limited's ("TML") commercial vehicles business in India. We understand that the CCI has passed a prima facie order and has not made any final or binding observations with regard to the allegations levelled against TML. TML is currently reviewing the copy of the order available in the public domain and will consult its legal counsels to take necessary steps."

We further add that the CCI has currently passed a *prima facie* order in terms of Section 26 (1) of the Competition Act, 2002. The CCI, in connection with its *prima facie* order, has specifically noted in the order that nothing stated in the CCI's order shall tantamount to a final expression of opinion on the merits of the Case.[1] It is reiterated that the Company is reviewing the CCI's order and is engaging with its counsel to take suitable next steps.

This is for the information of the exchange and the members.

Yours faithfully,
Tata Motors Limited

Hoshang K Sethna
Company Secretary
