Dear Sir,

Sub: Clarification /Confirmation on news item appearing in "Media/Publication"

This is with reference to your letter dated 5th December 2022 bearing reference number NSE/CM/ Surveillance/12553, in respect of the clarification sought by you on the news item which appeared in *the "www.business-standard.com" dated December 02, 2022 captioned "Odisha bags about Rs 8.9-trillion investment intent in two days.*

We would like to clarify that Tata Power has taken over the four Discoms in Odisha in 2020-2021. As per the bid conditions and the vesting Order of Odisha Electricity Regulatory Commission, each of the Discoms has to invest capex for upgrading of network, technology, customer services, etc. The sum total of the total investment as per the Order in the next five years is approx. ₹ 6,000 crore, which is already committed as per the Order. The same was re-iterated during the meetings held at the 'Make in Odisha' conclave.

We request you to take the same on record.

Thanking you,

Yours faithfully,
For The Tata Power Company Limited
