2. The Petitioner Company states that the Transferor Company has its registered office in the state of West Bengal and had filed a separate Company Scheme Petition No. C.P.(CAA)/58/KB/2024 before the National Company Law Tribunal, Kolkata Bench, which has been sanctioned *vide* order dated 24.05.2024. Therefore, the Transferor Company is not a Petitioner herein.
3. Heard the Ld. Sr. Counsel for the Petitioner Company and the representative from the office of the Regional Director, Western Region, Mumbai (RD). Neither any objector approached this Tribunal to oppose the Scheme nor has any party controverted any averments in the Petition.
4. It is observed that the Board of Directors of the Transferee Company and the Transferee Companies in their respective Board meetings held on 22.09.2022 had approved the Scheme and the relevant Board Resolutions are annexed to the Company Scheme Application.

5. The Ld. Sr. Counsel for the Petitioner Company submitted that the Transferor Company is an unlisted subsidiary of the Petitioner Company and that the Petitioner Company holds equity shares constituting 95.02% of the equity share capital of the Transferor Company.
6. It is submitted that the Transferee Company is engaged in the business of manufacturing steel and offers broad range of steel products including portfolio of high value-added downstream products such as hot rolled, cold rolled and coated steel, rebars, wire rods, tubes and wires. It also has a well-established distribution network.
7. The Ld. Sr. Counsel for the Transferee Company submitted that the Scheme provides for the amalgamation of the Transferor Company into and with the Transferee Company, under Sections 230 to 232 of the Act, such that:
- (a) all the assets of the Transferor Company, shall become the property of the Transferee Company;
 - (b) all the liabilities of the Transferor Company, shall become the liabilities of the Transferee Company;
 - (c) cancellation of all the issued share capital of the Transferor Company which shall be effected as a part of the Scheme and not in accordance with Section 66 of the Act and payment to all the shareholders of the Transferor Company (other than the Transferee Company) in cash consideration as per the approved valuation report, without any further act, instrument or deed, in accordance with Part II of the Scheme;

The Ld. Sr. Counsel further

submitted that the circumstances and/or grounds that have necessitated and/or justified the Scheme and the advantages thereof are, *inter alia*, as set out below:

- a. The Transferee Company is one of the leading global steel companies, with over 100 (hundred) years of experience in the steel sector and is a pioneer of steel manufacturing in India. The Transferor Company, which is a subsidiary company of the Transferee Company, is engaged in the manufacture of wire rods, TMT rebars, wires and wire products as an external processing agent of the Transferee Company and manufacturing and direct marketing of welding products, nails, rolls and castings. The amalgamation will consolidate the Transferor Company into and with the Transferee Company which will result in focused growth, operational efficiencies, and enhance business synergies. In addition, resulting corporate holding structure will bring enhanced agility to business ecosystem of the merged entity.
- b. The amalgamation will ensure creation of a combined entity, hosting value-added products under the Transferee Company, leading to 'One-Tata Steel' to customers which will improve shareholder value of the merged entity. Further, such restructuring will lead to simplification of group structure by eliminating multiple companies in similar business.
- c. The Transferor Company and the Transferee Company believe that the financial, managerial and technical resources, personnel, capabilities, skills, expertise and technologies of the Transferor Company and the Transferee Company pooled in the merged entity, will lead to optimum use of infrastructure, cost reduction and efficiencies, productivity gains and logistic

advantages and reduction of administrative and operational costs and thereby maximising shareholder value of the merged entity.

- d. The Scheme of Amalgamation would result in the following synergies:
- (a) **Operational efficiencies:** The proposed amalgamation would result in synergy benefits arising out of single value chain thereby reducing costs and increasing operational efficiencies. Centralisation of inventory primarily stores, spares, MRO, and services can be managed, which will increase scale of operations thereby improving negotiating power, reducing sourcing and inventory management costs. The amalgamation is expected to result in better alignment, optimised power consumption, sharing of best practices, cross-functional learnings, better utilisation of common facilities and greater efficiency in debt and cash management.
 - (b) **Faster execution of projects in pipeline:** The growth projects of the Transferor Company will be fast-tracked by leveraging the Transferee Company's technical expertise and financial resources.
 - (c) **Simplified structure and management efficiency:** In line with group level 5S strategy – simplification, synergy, scale, sustainability, and speed – the amalgamation will simplify group holding structure, improve agility to enable quicker decision making, eliminate administrative duplications, consequently reducing administrative costs of maintaining separate entities.
 - (d) **Sales and marketing:** Sales and distribution network will be pooled, providing greater market penetration. The culture of customer delight will be fostered by transitioning to the culture of 'one-face' to customers, thereby making it easier to address customer needs by providing them uniform

product and service experience, resolving customer complaints, ensuring on-time deliveries, and improved service quality. With common credit management, customers are expected to benefit from the channel financing facility.

- (e) **Sharing of best practices in sustainability, safety, health and environment:** Adoption of improved safety, environment and sustainability practices owing to a centralised committee at combined level to provide focused approach towards safety, environment and sustainability practices resulting in overall improvement. Further, overall technology maturity can be enhanced by the Companies through unfettered access to each others' information technology applications and systems. (A copy of the Scheme is annexed as Exhibit 5 in Volume I of the Petition and the above extract being at Page No. 60 in Volume I of the Petition)

10. The Petitioner Company had held the meeting of the Shareholders of the company on 25.01.2024 and the Chairman of the meeting had submitted his report, wherein it is stated that the shareholders consented to the proposed scheme with 100% (rounded off) of majority of the votes.
11. The Ld. Sr. Counsel for the Petitioner Company submitted that the equity shares of the Petitioner Company are listed on the BSE Limited (BSE) and National Stock Exchange of India Limited (NSE- (collectively referred to as "Stock Exchanges"). The Stock Exchanges *vide* their letters dated 24.03.2023, have respectively provided their Observation Letter to the Petitioner Company, to file the Scheme,

pursuant to which the Petitioner Company has approached this Tribunal seeking sanction to the Scheme.

12. The Ld. Sr. Counsel for the Petitioner Company further submitted that the Petition is filed in consonance with the order of this Tribunal dated 10.11.2023 in Company Scheme Application No. CA(CAA)/251/MB/2023 and order dated 12.12.2023 in Company Application No. 498(MB)2023.
13. It is observed that the Petition was admitted by this Tribunal *vide* order dated 30.04.2024. Further, the Petitioner Company has complied with all the requirements as per the directions of this Tribunal including, *inter alia*, issuing notices indicating the date of hearing of the regulatory authorities and publication of notice of the hearing of this matter in the newspapers, and has filed necessary Affidavit proving such compliance. Moreover, the Petitioner Company undertakes to comply with the applicable statutory requirements, if any, as required under the Act and Rules made thereunder. The said undertaking given by the Petitioner Company is taken on record.
14. The RD has filed report dated 31.05.2024 setting out his observations on the Scheme. In response to the observations made by the RD, the Petitioner Company has provided necessary clarifications and undertakings by way of an Affidavit dated 03.06.2024 and it also served a copy of the Affidavit upon the office of the RD.
