**Subject: Disclosure under Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (“SEBI Listing Regulations”) – Impact of Natural Gas (Supply Regulation) Order, 2026**

Dear Sir / Madam,

Pursuant to Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, we wish to inform the exchanges that the Company is in receipt of a communication dated 13 March 2026 from our gas supplier, Gujarat Gas Limited, regarding the "Natural Gas (Supply Regulation) Order, 2026," issued by the Ministry of Petroleum and Natural Gas, Government of India, on 09 March 2026. This order, issued under the Essential Commodities Act, 1955, regulates the allocation and pricing of natural gas due to geopolitical conflicts in the Middle East and the resulting disruption in natural gas availability.

Under this new regulatory framework gas supply to industrial consumers, including our manufacturing facilities, is to be maintained at 80% of past six months average gas consumption subject to operational availability. Furthermore, supply and allocation will now be governed by a Pooled Price mechanism as notified by the Petroleum Planning & Analysis Cell (“PPAC”), which will determine the final retail sale price for our units. This government mandate is classified as a Force Majeure mitigation measure and supersedes existing provisions of our Gas Sales Agreement regarding both pricing and contract quantities.

The Company has proactively made arrangements for use of alternative fuel sources as permitted by Gujarat Pollution Control Board (“GPCB”) and optimizing production processes to minimize the impact on output. While the potential financial impact of this shortage and the revised pricing mechanism cannot be fully quantified at this stage, we are closely monitoring developments and will continue to keep the stock exchanges informed of any material updates.

The above information shall be made available on the website of the Company at [www.tatvachintan.com](http://www.tatvachintan.com).

This is for your information and records.

Thanking you,

Yours faithfully,  
**For Tatva Chintan Pharma Chem Limited**
