Centre ignoring financial crisis in States: Congress

Says it will urge the Centre to partner State govts in the fight against the pandemic

OUR BUREAU
New Delhi, May 6
Chief Ministers of Congress-ruled States accused the Centre of taking unilateral decisions on fighting Covid-19 pandemic. They have also blamed it of inaction when the States are facing an acute shortage of resources. These concerns were raised at a review of the lockdown by senior Congress leaders through a video conference here on Wednesday.

Congress president Sonia Gandhi questioned the criteria used for decisions on lockdown. "Pushed to fiscal distress" Talking to reporters after the meeting, Congress's media in-charge Randeep Singh Surjewala said there are two or three important takeaways from the conference, former Prime Minister Manmohan Singh and former Congress president Rahul Gandhi.

"Firstly, all the States were unanimous in pointing out that the Centre is pushing the States to fiscal distress by not allocating resources to fight Covid 19

and the economic crisis is looming large in cities, towns and villages. This is true not only for the Congress-ruled States but also for others. Some of them may not speak as they belong to the BJP or due to pressure of the Central government," he said.

After lockdown, what?

The States wanted to know, what after lockdown 3.0. "What are the objectives and achievable after lockdown 3.0? On issues such as testing, rapid test kits, PPEs, reviving economy, there seems to be neither a roadmap nor an exit strategy.

Was that the reason that the Prime Minister did not come forward and announce lockdown 3.0? The concern is will there be a lockdown 4.0 and 5.0 and when will it finally end? When will the begin in a safe fashion? Modi and his government need to answer these questions," he said.

He added that the Chief Ministers were of the opinion that they will once again write to the Prime Minister and ask for financial assistance to be shared with the States so that they can fight the pandemic jointly with the Centre leading and States being the executing partners on the ground. "What is the alternative if the Centre is not opening up its purse to the States? This is not an issue of Congress ruled States. Every State Government is facing this crisis. On the one side Corona pandemic. On the other economic distress and on another side, Modi is not helping States to face this crisis. He should immediately release at least the GST arrears worth ₹2 lakh crore to the States," he said.

He said States have assured that they have decided to pay for the travel of migrant labour and have asked the Railways for special trains. Punjab Chief Minister Amrinder Singh informed the meeting that ₹35 crore has been set aside and Railways is charging ₹870 per ticket. Former Karnataka Chief Minister and senior leader Veerappa Moily said the strategy indec-

ing the lockdown or coming out of it hasn't been stated at all by Prime Minister or changed at all. Former Finance Minister P Chidambaram said the States are bleeding in terms of finances but no money is being allocated by the Centre. "A number of newspapers have brought out the unavailability of finances with States," he said. Rahul Gandhi said the central place of strategy to fight Covid

Congress President Sonia Gandhi holds a meeting with Congress-ruled Chief Ministers to review how States are tackling Covid-19 and the lockdown, in New Delhi on Wednesday.

ing the lockdown or coming out of it hasn't been stated at all by Prime Minister or changed at all.

Former Finance Minister P Chidambaram said the States are bleeding in terms of finances but no money is being allocated by the Centre. "A number of newspapers have brought out the unavailability of finances with States," he said.

Rahul Gandhi said the central place of strategy to fight Covid

is to protect the elderly as also those who are diabetic and with heart condition.

Chhattisgarh Chief Minister Bhupesh Baghel said "States are facing dire economic crisis. They need to be provided immediate assistance. Over 80 per cent of small industries in the State have restarted and nearly 85,000 workers have returned to work."

Manmohan Singh said Chief Ministers need to deliberate

and ask as to what is the strategy of the government to get the country out of lockdown. "We need to know what will happen after lockdown 3.0?" he said.

Puducherry Chief Minister V Narayanasamy said the Centre is deciding on zones without consulting the States and this is creating an anomalous situation. "People sitting in Delhi can't tell this to the States. No State or CM is consulted. Why? PM isn't saying a word on economic package for States," he said.

The Punjab Chief Minister suggested that two committees, one to strategise on how to come out of lockdown and other on economic revival, should be set up. "Concern is people sitting in Delhi are deciding classification of zones without knowing what's happening on the ground," he added.

Rajasthan Chief Minister Ashok Gehlot said: "Until extensive stimulus package is given, how will States and Country run? We have lost ₹10,000 crore of revenue. States have repeatedly requested PM for a package but we are yet to hear from the Centre."

'Don't stop migrant workers from leaving'

OUR BUREAU
New Delhi, May 6

The Central Trade Unions criticised the Union Government for not doing enough for the migrant workers who are in distress. In a meeting with Labour Minister Santosh Ganguly, they urged the Centre to immediately create a National Register of Migrant Workers with identity, portability, labour law protection and social security benefits. They condemned the use of compulsion to dissuade workers from going back to their villages.

They also criticised the Centre for measures such as freezing DA and delaying payment of wages.

'Gross violation' BMS general secretary Vinod Upadhyay and president Sai Narayan who attended the meeting said Inter State Migrant Workers Act, 1979 is grossly violated when train fare is collected from workers, with the contractor or principal employer not providing them wages or food in the labour camps.

Government should also immediately formulate a national policy on migrant workers, they demanded.

Industrial associations, trade unions, government officials and local elected representatives should collectively undertake a campaign to retain labour at the work places itself. Building confidence and trust should be top priority to start industrial work, they said and urged the Centre to adopt an India-centric, swadeshi roadmap for the post-corona economic development. "FDI and E-commerce should be restricted as they will be a hindrance to industrial activities coming to normal," they added.

AITUC general secretary Amarjeet Kaur said the AITUC is shocked with the approach of Ministry of Labour and Employment having called a meeting with Central Trade Unions on Wednesday but not responding to any of the concerns/issues/

mands raised by them. "The ministry was on denial mode when informed that the ration and food are still not reaching all the working population. We demanded universal coverage for ration distribution; but there was no response on the issue from the ministry," she said. The unions also demanded the Ministry to intervene to stop decisions being taken by several States to increase working hours and wage cuts.

'Interaction long overdue' CITU general secretary Jayaprakash Sen said the Centre organised such a meeting after 40 days of lockdown. "We expected that given the serious distress conditions in which workers, the Labour Ministry would call a meeting to discuss the measures re-

quired to ameliorate their distress. But, regrettably, that was not done," he said.

He said the CTUs also expected that an Action Taken Report, detailing the measures taken by the government to ensure implementation of its own directions and advisories related to protection of the workers' jobs and their wages will be given by the Ministry to the participants in the meeting. He said CITU itself wrote 22 letters outlining such violations - retrenchment of workers, non-payment of wages in the last 40 days.

He condemned the cancellation of trains for migrant workers from Bengaluru. "The entire exercise is also a reflection of utter hypocrisy. The BJP government at the centre, after lot of pressure, has ultimately agreed to run the Shram Special trains for return of migrant workers and after lot of bungling agreed to bear 85 per cent cost of journey by Railways. Now, BJP-led Karnataka refuses to send the migrant workers back home, at the dictates of the capitalist lobby. Aren't the reluctance and the refusal part of a single exercise?" Sen said.

771 more Covid cases in TN; 324 added in Chennai alone

OUR BUREAU
Chennai, May 6
As many as 771 persons tested positive for Covid-19 in Tamil Nadu on Wednesday to take the total number of infected persons to 4,829.

A total of 324 cases were reported in Chennai alone (total in the city is 2,328), followed by 188 in Ariviyal (222); 95 in Cuddalore (324); 45 in Kancheepuram (87); 34 in Tiruvallur (129); 20 in Madurai (111) and rest in various other places.

Of the total infected, 3,320 are men, 1,507 are women and two are transgenders, according to government data. Two infected died today to take the tally to 35.

A total of 13,513 blood samples were tested on Wednesday in 52 labs (36 government and 16 private). Government data said 31 patients were discharged today taking the total number to 1,516.

Tasmac to reopen

The Madras High Court declined to stay the reopening of Tasmac liquor shops in Tamil Nadu (except Chennai)

from May 7. The Court directed the State government to implement liquor rationing whereby only one bottle will be sold per person. Each consumer can buy only once in three days, the Court said.

A special division bench of Justice Vineet Kohari and Pushpa Sathyanarayana passed the order on a batch of pleas seeking to quash the Government order passed on May 4 to reopen the shops. The government has ensured social distancing by erecting barricades at the shops and security will be deployed.

Meanwhile, close on the heels of Delhi government's decision to hike excise duty on liquor, Tamil Nadu government has also increased excise duty on liquor by 15 per cent. This will mean the price of liquor in the State will be higher and the expected pent up demand for it will also boost the state exchequer.

The increase will be ₹20 for normal brands and ₹10 per 180 ml bottle premium brands from Thursday.

Hyderabad airport braces for post Covid-19 days

V RISHI KUMAR
Hyderabad, May 6

GMR Hyderabad International Airport Limited is geared up for the phased reopening of the airport after the coronavirus-induced lockdown.

In a detailed note, the GMR-managed airport, said it has laid down safety protocols for users.

It calls for all passengers departing from the airport to use the web check-in facility before arriving at the airport, while others are encouraged to use the self-service kiosks at the airport.

Social distancing has been ensured with markers placed at the entry points and at every stage up to boarding.

Apart from acrylic shields at check-in counters to separate the airport personnel and the

passengers, hygiene stations with automatic hand sanitizers have been set up to enable frequent sanitisation.

According to SGK Kishore, CEO, GHIAL, said, "The Hyderabad Airport facility is working through the lockdown period to ensure that we have the right measures in place for ensuring passenger safety once commercial flight operations are permitted by the government. We request all passen-

gers to extend their cooperation and support for measures such as use of face masks, thermal screening and social distancing."

Russian freighter

Hyderabad Airport today handled the first freighter, a B777 passenger-to-cargo flight, from Russia during Covid-19 lockdown. It carried back about 50 tonnes of pharmaceutical products to Moscow.

Kerala Drugs & Pharmaceuticals bets big on business prospects post-Covid

VSARJEV KUMAR
Kochi, May 6

The Covid-19 pandemic has opened up new avenues for Kerala State Drugs and Pharmaceuticals Ltd (KSDPL) to manufacture active pharmaceutical ingredients (API), the raw materials used in various drug formulations.

Hitherto, pharma companies were depending on China for over 60 per cent imports of API. However, Chinese supplies have become erratic as environmental pollution issues, had led to the closing down of some units there, said MP Sukumaran Nair, former Chairman, Public Sector Restructuring and Internal Audit Board (RIAB-Kerala). To encourage domestic manufacturing of APIs, he said the Central Government has

drawn up a strategy with a focus on fiscal and procedural support to pharma companies to kick-start production of intermediates. The Cabinet had approved a ₹10,000-crore incentive-based scheme to boost domestic manufacturing of APIs by setting up bulk drug parks partnering with States.

The setting up of an API manufacturing unit in the country is the need of the hour, says S Syamala, Managing Director, KSDPL.

"We should have an API concentrated manufacturing policy for life-saving drugs. India is currently depending on China, Korea, and Vietnam and the emerging situation has facilitated the need to procure raw materials domestically for drug manufacturing," she said.

The non-availability of imported raw materials have resulted in the surge in API cost of azithromycin to around ₹7,000 per kg from ₹8,000/kg.

Asked how equipped is KSDPL to start API production, Syamala said "It all depends on the availability of latest, cost-effective, least polluted and lesser time-consuming technology depending on the current developments in the world."

CEPI calls for Covid vaccine development proposals

PT JYOTHI DATTA
Mumbai, May 6

The Coalition for Epidemic Preparedness Innovations has made a "call for proposals" inviting organisations to apply for funding to speed up the development and production of Covid-19 vaccine candidates.

While there are already about 100 vaccine projects in the pipeline, the latest call by CEPI is to bring into the fold any vaccine candidate that may have been in development previously. The move would also help expand the geographical footprint for the production scale-up of Covid vaccine candidates, CEPI said.

Such a move is expected to address access issues, as countries increasingly show a sense of "vaccine nationalism", where companies are expected to ser-

CEPI said billions of doses of vaccine are needed to bring the pandemic to an end, and hence the emphasis on vaccine manufacturing capacity and capabilities. GETTY IMAGES/STOCKPHOTO

vice the region they are located in, rather than address the region that needed the product the most, says a healthcare expert.

Presently, about six Indian companies are in the fray to develop vaccines against the novel coronavirus, including Zydu

Cadila, Serum Institute, Biological E, Indian Immunologicals, Myxvax and Bharat Biotech.

Global deployment

CEPI is a global alliance financing and coordinating the development of vaccines against emerging infectious diseases. Its

call for proposals is open up to June 30, with applications reviewed on a rolling basis every two weeks. Applicants will be required to demonstrate both their ability to rapidly develop their vaccine candidate, as well as manufacture it at scale, it said.

The support will be provided for the rapid development of vaccines that could be available for licensure in 12-18 months or less, and increase the availability of vaccines for widespread global deployment, CEPI said.

This comes even as companies, academic institutions and experts from across the world put out different timelines on a possible vaccine, ranging from as early as September to the possibility of no vaccine at all.

However, CEPI said, billions of doses of vaccine are needed as

soon as possible to bring the pandemic to an end, and hence the emphasis on vaccine manufacturing capacity and capabilities to deliver global development plans.

This is CEPI's third such call since January and the Covid vaccine portfolio under development comprises nine promising candidates, three of which were already in clinical testing, it said.

This vaccine acceleration efforts come even as 40 countries came together recently through the Covid-19 Global Response International Pledging Event, hosted by the European Commission, to pledge about €7.4 billion for research and development for vaccines, diagnostics and therapeutics, according to the World Health Organization (WHO).

ఆరోగ్య కాళా మంత్రి ఈటల రాజేందర్, ప్రభుత్వ ముఖ్య నలహాదారు రాజే శర్మ, ప్రభుత్వ ప్రధాన కార్యదర్శి సోమేష్ కుమార్, డిజిపి మహేందర్ రెడ్డి ఆరోగ్య కాళా ప్రత్యేక ప్రధాన కార్యదర్శి శాంత కుమారి, ముఖ్య కార్యదర్శులు ఎస్ నర్సింగ్ రావు, రామకృష్ణారావు కదికరులు పాల్గొన్నారు. హైదరాబాద్ దాని చుట్టూపకల జిల్లాలు మినహా రాష్ట్రంలోని మిగతా జిల్లాల్లో పరిస్థితి

కేసీఆర్ బహుం పచ్చనిపట్టు మాల్వారుకున్నారని ఆరోపించారు. కేసీ ఆర్ మాల్వారును కూడా కాంగ్రెస్ పార్టీకి అవమానించినట్లు భావిస్తున్నారన్న ఆయన. కేసీఆర్ తీర్చిన తప్పు- తనని మావైగీతగా అన్నట్లు భావిస్తున్నారని చెప్పారు. అంటే నక్సా కమిటీ చూడండి నాకు లాభలే లేకే కరోనా పోయిందన్న వాళ్ళను దర్దమ్మ అనారా? బహుళ అనారా? అంటూ ప్రశ్నించారు. ప్రతి ఇంటికి మిమ్మే భగదోరని నట్టే బహుళంగా ఉట్టు అడిగిన వాళ్ళని నన్నానులు-దర్దమ్ములు అనారా? ఉన్ననీ పచ్చనిపట్టు.

కేసీఆర్ గ్రామాల్లోకి వస్తే నిజం తెలుస్తుంది

దమ్ముందా? అని నవలే వినిరారు. గ్రామాలకు వస్తే నిజం ఏంటో కళ్ళకు చూపిస్తామన్నారు. తెలంగాణ ఏమీ నీ అయ్య జాగీరు కాదు అంటూ ధ్వజమెత్తారు. అందరూ కలిసి కొట్లాడలే తెలంగాణ వచ్చిందన్న విషయాన్ని పునరుద్ధరన్నారు. రాజకీయాలు వక్రపనిబడితే తేనీఆర్ కంటే ఎక్కువే మాట్లాడుతామని ఘాటుగా స్పందించారు.

- మీదట నమోదేతలో నీమిస్తి తీర్చివేయిలో మందిపడ్డారు. సోనియాగారి దయలో నీమి అయిన కేసీఆర్, తిర్చివిడిచాపాట లెక్కలో విధంగా చిడ్డ రాజకీయాలు చేస్తున్నారని ఎమ్మెల్యే ఆగ్రాలో మందిపడ్డారు. అప్పుడయితే : ధనక రాష్ట్రంగా ఉన్న ఆంధ్రాదేశాని నీమి కేసీఆర్ అప్పుడంటాల్లేనీ, దోచుకుంటున్నారని దీపిపీ నేతలు ఎల్.రమణ, రావుల వందర్లశెరిరెడ్డి ధ్వజమెత్తారు. ముఖ్యమంత్రిగా ఉన్నతస్థాయిలో ఉన్న కేసీఆర్ తన స్థాయి మరదలి మాధవలకుతుంగుని విరువవడంగా. రాష్ట్రంలో రైతులకి గిట్టానటువంటి వాడారని తోడ్కొని గిట్టిన వాడు కాదును అప్పుడు సూచించారు.

ధాన్యాకీ నివృత్తమిట్టమగున్నా కేసీఆర్ స్పందించకపోవడం విషధరంగం ఉండవచ్చారు. ప్రతి మీటింగ్లో నేను పెద్ద వ్యవసాయదారుడినీ చెప్పాకీ తిరుగుతున్న నీం కేసీఆర్కు రాష్ట్రంలో రైతున్న బాధలు కనిపించడంలేదు అని మండిపడ్డారు. కేసీఆర్ పాలనను ప్రజలు పరిశీలిస్తూదగని, త్వరలో ప్రభుత్వరీతిలో ప్రజల ఆందోళనలు నిర్వహిస్తామని, ముఖ్యమంత్రి తిమ్మిరెడ్డి రైతుల నమస్కలు పరిష్కరిస్తామని రహస్య కోరారు.
