New Delhi, January 29, 2015: Transport Corporation of India Ltd., India's leading integrated supply chain and logistics solutions provider, today announced its financial results for the 3rd quarter/nine months ended December 31, 2014.

Revenues have grown by 9.6 % during the nine months of the year and EBIDTA has grown from 8.1% against 7.2 % in corresponding period last year. Net profit after tax has increased from 41.50 cr to 54.4 cr in corresponding period registering a 31% yoy growth.

For the third quarter, revenues have grown by 8% during corresponding previous year whereas net profits has grown by 18.7 % to Rs. 17.1 Cr.

Commenting on the nine months results, **Mr. Vineet Agarwal, Managing Director, TCI** said, "Minor recovery in certain sectors like FMCG, retail, auto and pharmaceuticals sectors have contributed to the strong performance. We anticipate this trend to strengthen further given the push towards higher sales in the last quarter of the year. Themes around e commerce, consumption growth, increased outsourcing of logistics services and renewed thrust to infrastructure development and GST implementation should propel far higher growth in the next year.

"The Board of Directors of the company have earmarked Rs. 500 crore towards capital expenditure for the next 3 years to develop hub centers and fulfillment warehouses, purchase new trucks, ships, and other misc. items.
