# TCS Wins MuleSoft 2022 Americas Premier Partner of the Year Award

*Tata Consultancy Services Helps Organizations Unlock and Integrate their Data and Apps to Create and Automate Seamless Experiences, Faster*

**NEW YORK | MUMBAI, APRIL 05, 2022:** Tata Consultancy Services (TCS) (BSE: 532540, NSE: TCS) has been recognized as the 2022 Americas Premier Partner of the Year by MuleSoft, provider of the world's #1 integration and API platform.

TCS was honored for excellence in demonstrating value to customers; rapidly scaling capabilities through training and certifications; and strength in helping companies become composable businesses with reusable building blocks, like APIs, to enable speed, agility, and efficiency.

TCS is helping leading enterprises across the world use new digital technologies and data to reimagine their customer experience, embrace new business models and drive growth. These complex transformation programs entail integration of new technologies with existing application and data stacks, using TCS' industry-specific integration models and Business Ecosystem Integration Services. These services include enterprise API-fication, hybrid integration establishment, middleware modernization, B2B segment modernization, and microservices and PaaS, SaaS adoption, leveraging MuleSoft.

With these proven integration offerings, contextual knowledge of its customers' business and IT landscapes, and a growing pool of MuleSoft-skilled professionals, TCS has been steadily winning new transformational engagements on MuleSoft's Anypoint Platform.

**Krishnan Ramanujam, Business Group Head, Business & Technology Services, TCS**, said, *"Customers partner with TCS for their growth and transformation initiatives because they know they can rely on our contextual knowledge of their IT landscapes and our deep MuleSoft expertise to provide seamless integration paths that help realize their vision. We are thrilled to be named MuleSoft's 2022 Americas Premier Partner of the Year."*

"*Today's digital imperative means that companies are facing increased pressure to quickly meet customer expectations for connected digital experiences*," said **Dan McAllister, Senior Vice President of Global Alliances and Channels**. "*With industry knowledge and expertise, TCS helps joint customers deploy integration, API, and automation solutions at scale so that they can deliver these seamless experiences, faster. We are excited to celebrate the success of our MuleSoft partner ecosystem and recognize their continued commitment in driving digital transformation and productivity for customers globally*."

## About Tata Consultancy Services (TCS)

Tata Consultancy Services is an IT services, consulting and business solutions organization that has been partnering with many of the world's largest businesses in their transformation journeys for over 50 years. TCS offers a consulting-led, cognitive powered, integrated portfolio of business, technology and engineering services and solutions. This is delivered through its unique Location Independent Agile™ delivery model, recognized as a benchmark of excellence in software development.

A part of the Tata group, India's largest multinational business group, TCS has over 556,000 of the world's best-trained consultants in 46 countries. The company generated consolidated revenues of US $22.2 billion in the fiscal year ended March 31, 2021, and is listed on the BSE (formerly Bombay Stock Exchange) and the NSE (National Stock Exchange) in India. TCS' proactive stance on climate change and award-winning work

with communities across the world have earned it a place in leading sustainability indices such as the MSCI Global Sustainability Index and the FTSE4Good Emerging Index. For more information, visit **www.tcs.com**
