TCS Recognized as a Leader in Gartner Magic Quadrant for Worldwide SAP S/4HANA Application Services

Tata Consultancy Services Leverages its Contextual Knowledge, Intellectual Property, and Expertise in Digital Technologies to Help Customers Accelerate their Business 4.0™ Journeys

NEW YORK | MUMBAI, July 05, 2021: Tata Consultancy Services (TCS) (BSE: 532540, NSE: TCS), a leading global IT services, consulting and business solutions organization, has been positioned as a Leader in the Gartner Magic Quadrant for SAP S/4HANA Application Services, Worldwide¹.

The report states that “The Magic Quadrant evaluated 20 service providers’ capabilities to deliver SAP S/4HANA application assessment, implementation and management services on a worldwide basis.” It goes on to say that “Leaders are performing well today, gaining traction and mind share in the market; they have a clear vision of market direction and are actively building competencies to sustain their leadership position in the market. Leaders have built a considerable S/4HANA track record and capabilities across multiple industries, geographies, deployment approaches or modules.”

“As a growth and transformation partner to leading enterprises across the world, TCS focuses on enabling sustainable, insights-driven digital transformations that improve customer experience, accelerate time-to-market and maximize stakeholder value,” said **Akhilesh Tiwari, Global Head, Enterprise Application Services, TCS**. *“We believe this positioning as a Leader is a reflection of our vision, investments in innovation and intellectual property, deep industry knowledge, expertise in intelligent technologies and the resultant market success.”*

TCS offers a comprehensive suite of SAP services, including design thinking, advisory, innovation consulting, implementation, and other digital support services. TCS leverages its intellectual property (IP)-led assets and accelerators as part of a comprehensive approach to modernize enterprise businesses, helping them shape business ecosystems and adopt new business models in their perpetual growth and transformation journeys. Market differentiators include:

- **TCS Enterprise Navigator™** – an integrated consulting-led framework that supports C-suite leaders in realizing perpetual value from their transformation initiatives and driving business growth enabled by TCS Crystallus™ and TCS ConvertCore.
- **TCS Crystallus** – a set of pre-configured industry and business solutions, contextualized to address specific industry requirements. TCS Crystallus encompasses TCS’ domain expertise, industry best practices, and contextual knowledge for S/4HANA greenfield implementation programs.
- **TCS ConvertCore** – offers a built-in modular approach that allows enterprises to drive continuous business value. TCS ConvertCore is a compelling proposition for enterprises to accelerate system conversion to SAP S/4HANA and pave a solid foundation for their perpetual transformation journey.

TCS helps customers evaluate newer digital offerings such as SAP S/4HANA, SAP® Customer Experience solutions, SAP SuccessFactors® solutions, SAP Ariba® solutions, and SAP® Business Technology Platform, to define their roadmap, architecture and strategy.
