TCS BaNCS rated "Best in Class" for Design and Security and Enterprise Support in Online Banking Solutions Report

Mumbai, November 26, 2014: Tata Consultancy Services (TCS), (BSE: 532540, NSE: TCS), a leading IT services, consulting and business solutions organization, today announced that its flagship brand, TCS BaNCS, was listed as "Best in Class" for two categories of Online Banking Solution by CEB TowerGroup analysts. CEB TowerGroup analysts ranked TCS BaNCS as "Best in Class" for *Design and Security* and *Enterprise Support* categories among top vendors providing online Banking Solutions around the world.

Commenting on the latest accolade of TCS BaNCS S Samba, Principal Consultant - TCS Financial Solutions said" We are glad to note that our Solution has been recognized as Best in Class for two of the four parameters used to analyze top choices for on line Banking. Our extra sharp focus on Security and Enterprise Support is to ensure our customers' peace of mind by strengthening their systems all while delivering top quality support"

CEB TowerGroup research director Jason Malo said, "TCS BaNCS emerged as a "Best in Class" performer in two of our four evaluation categories and scored well across the board, demonstrating a solution well-tailored to meet the needs of a rapidly evolving, global digital banking landscape."

The report commented on Data Security, Business Process support and Customer security capability that protects the end user firm from unnecessary risk. In Enterprise Support, the report highlighted the customer footprint and global presence of TCS BaNCS in addition to our vendor collaboration strategy and methodology which paves the way for strong and deep engagements with customers.
