TCS Wins Microsoft Business Applications Inner Circle Award for Delivering Customer Successes Using Dynamics 365

Tata Consultancy Services Received the Inner Circle Award for its Sales Achievements and Excellence in Innovation

NEW YORK | MUMBAI, August 13, 2021: Tata Consultancy Services (TCS) (BSE: 532540, NSE: TCS), a leading global IT services, consulting, and business solutions organization, has been named to the Microsoft Business Applications 2021/2022 Inner Circle, for the second consecutive year. This is based on TCS' sales achievements that place it in the top echelons of Microsoft Business Applications' global network of partners, resulting from the high standard of excellence in building innovative solutions that help customers achieve their growth and transformation objectives.

As the preferred growth and transformation partner to leading global enterprises, TCS helps them offer more personalized customer interactions, enhance employee experience, improve regulatory compliance, and accelerate innovation. Many of these solutions use Power Apps and Microsoft Dynamics, a cloud-based platform that brings together CRM and ERP capabilities into intelligent business applications for sales, marketing, service, finance, operations, commerce, HR, and more.

TCS has been consistently investing in research and innovation, and in building intellectual property to address industry-specific business problems and deliver speed-to-market. TCS' Dynamics 365 offerings include Connected Consumer and Operations, NextGen Connected Field Services, and Resilient Supply Chain. Additionally, TCS' Microsoft Business unit helps customers plan and execute legacy modernization, cloud migrations, and back to business programs.

*"In every industry around the world, companies have been faced with the challenge of accelerating their digital capabilities. Digital transformation of core business processes and the implementation of data-first product innovations are imperative to their success. Together Microsoft and TCS are strongly positioned to deliver transformative solutions on Dynamics 365 and the Power Platform that will empower our customers to achieve operational excellence," s*aid, **Vahé Torossian, Corporate Vice President – Business Applications, Microsoft**. *"We are proud of the great work TCS has accomplished around the Microsoft Cloud and their recognition as an Inner Circle member is a true testament of their success."*

"We are helping our clients achieve a sustainable competitive advantage and improve customer experience with bespoke solutions tailored to their unique business and technology context, leveraging our domain knowledge and deep expertise on Microsoft technologies. We are delighted to be recognized as an Inner Circle partner for Microsoft Business Applications once again," said **Siva Ganesan, Global Head, Microsoft Business Unit, TCS**.

TCS' Microsoft Business Unit works with customers worldwide to accelerate their multi-horizon cloud transformation journeys. TCS uses its deep industry knowledge and large and growing global talent pool of Microsoft-certified consultants to help customers leverage the power of AI, automation and cloud to enhance customer experience, reimagine employee empowerment, optimize operations and spur innovation.

TCS is a Microsoft Gold Partner and has successfully delivered over 350 Dynamics 365 engagements for more than 300 global customers. Recently it also won two 2021 Microsoft Partner of the Year Awards – Azure Intelligent Cloud in France and Dynamics 365 Field Service in the US.
