Company Secretary

NXP Semiconductors Selects TCS as a Strategic Partner to Drive IT innovation

Tata Consultancy Services to Help NXP Reimagine User Experience and Accelerate Innovation

EINDHOVEN | MUMBAI, September 13, 2021: Tata Consultancy Services (TCS) (BSE: 532540, NSE: TCS), a leading global IT service, consulting, and business solutions organization, will help NXP, a world leader in secure connectivity solutions for embedded applications, enrich its user experience and accelerate digital transformation.

NXP is driving innovation in the automotive, industrial & IoT, mobile, and communication infrastructure markets. The semiconductor manufacturer selected TCS as its strategic partner to drive its integrated IT services strategy across applications, IT infrastructure and workplace services spanning enterprise, manufacturing and engineering functions.

Leveraging its unique Machine First™ approach, deep contextual knowledge of the semiconductor industry and proven capabilities across next-gen technologies such as AI and automation, TCS will develop a business-centric operating model that harnesses synergies across the value chain.

The new, secure IT landscape will significantly improve operational resilience, speed up innovation and drive a superior user experience. Additionally, TCS will accelerate NXP's cloud adoption to further enhance business agility and build a future-ready digital foundation that supports its growth and transformation agenda.

"TCS demonstrated an understanding of NXP's environment and identified transformational opportunities. They will be a crucial partner in building our vision of an agile and lean IT environment that is essential to keep pace with our ever-growing drive to innovate," said **Olli Hyyppa, Chief Information Officer and Senior Vice President, NXP Semiconductors.**

"*We are delighted to expand our decade-long strategic partnership with NXP to help them build a new future-ready digital core and drive digital transformation. The new IT operating model will be better aligned with business and will leverage our Machine First philosophy to drive leaner, more resilient operations, elevating the user experience and enhancing NXP's future growth,"* said **V Rajanna, Global Head, Technology Business Unit, TCS**.

About Tata Consultancy Services (TCS)

Tata Consultancy Services is an IT services, consulting and business solutions organization that has been partnering with many of the world's largest businesses in their transformation journeys for over 50 years. TCS offers a consulting-led, cognitive powered, integrated portfolio of business, technology and engineering services and solutions. This is delivered through its unique Location Independent Agile™ delivery model, recognized as a benchmark of excellence in software development.

A part of the Tata group, India's largest multinational business group, TCS has over 500,000 of the world's best-trained consultants in 46 countries. The company generated consolidated revenues of US $22.2 billion in the fiscal year ended March 31, 2021 and is listed on the BSE (formerly Bombay Stock Exchange) and the NSE (National Stock Exchange) in India. TCS' proactive stance on climate change and award-winning work with communities across the world have earned it a place in leading sustainability indices such as the MSCI Global Sustainability Index and the FTSE4Good Emerging Index.
