## TCS Launches Innovation Hub to Boost Sustainable Development in Europe

*Tata Consultancy Services' Pace Port™ in Amsterdam Leverages an Ecosystem of Academia, Start-Ups, Technology Providers to Help European Clients Innovate and Drive Business Transformation*

**AMSTERDAM | MUMBAI, May 21, 2021:** Tata Consultancy Services (TCS) (BSE: 532540, NSE: TCS), a leading global IT services, consulting and business solutions organization, has launched TCS Pace Port™ Amsterdam, a co-innovation and advanced research center designed to help customers successfully navigate their growth and transformation journeys.

Bringing together an ecosystem of partners from academia, government institutions, start-ups and technology providers, TCS Pace Port Amsterdam will serve as a hub for TCS teams to co-innovate with European customers, guiding them through the discovery, definition, refinement and delivery phases of innovation. The center will also provide rapid prototyping capabilities with a clear focus on building greater futures by finding and creating sustainable solutions.

TCS Pace Port Amsterdam is the third co-innovation center by TCS, after New York and Tokyo, in a global network of physical-digital innovation hubs that bring to life the **TCS Pace™** philosophy of unifying the best of TCS' innovation assets, capabilities and practices to build meaningful and accelerated outcomes. The TCS Pace Innovation Architecture provides a structured framework for companies to ideate better, work on creative solutions faster, and focus their efforts on real, purpose-driven business needs.

*"TCS believes that collaborative innovation, harnessing the collective knowledge of an ecosystem of partners can help companies realize their purpose and build a greater future,"* said **Sapthagiri Chapalapalli, Head, TCS Europe**. *"Our new Pace Port at Amsterdam will serve as a European innovation hub that helps our clients build long-term sustainability, which is a core driver of purposeful business."*

*"Pace Port Amsterdam is the next step in our continued effort to help our clients innovate at speed and scale,"* said **K Ananth Krishnan, CTO, TCS**. *"Developing digital capabilities at an accelerated pace empower companies to and help their businesses stay ahead on the digital curve."*

*"TCS' first European Pace Port is envisioned to become the digital innovation hub for the region,"* said **David McIntire, IT Services Research Director, NelsonHall**. *"The Pace network has evolved from TCS' innovation and co-creation location strategy. TCS has taken a considered and organic approach in setting up Pace Ports and demonstrates its capabilities as a full-service partner for its clients in their digital transformation journeys."*

*"As part of the European Commission, our aim for the Green New Deal is to create a comprehensive, ambitious plan for a green future driven by technology,"* said **Diederik Samsom, Head of Cabinet for European Green Deal & Executive VP, European Commission Frans Timmermans**. *"That is why I welcome initiatives like TCS PACE that can bring together digital capabilities, an innovative mindset and collaborative ecosystems to help European businesses work together to build a greener, more sustainable Europe."*

The global network of TCS Pace Ports ignites collaborative experimentation, research, rapid product prototyping, and continuous learning – pushing current boundaries and driving business transformations through the application of cutting-edge digital technologies.
