TCS Wins 2020 Pega Partner Award for Excellence in Growth and Delivery

Tata Consultancy Services Recognized for Customer Satisfaction and Successful Implementation of Digital Transformation Initiatives for Insurance, Manufacturing and Telecom Customers

NEW YORK | MUMBAI, June 22, 2020: Tata Consultancy Services (BSE: 532540, NSE: TCS), a leading global IT services, consulting and business solutions organization, has been awarded the 2020 Pega Partner Award for Excellence in Growth and Delivery by Pegasystems Inc., the software company empowering digital transformation at the world's leading enterprises. The award recognizes TCS' leadership in leveraging Pega technologies to drive successful digital transformation programs for joint clients, especially in the insurance, manufacturing and telecommunications industries.

TCS partners with leading enterprises in their growth and transformation journeys. In these engagements, the company leverages its domain expertise and contextual knowledge to help customers radically rethink their key business processes and transform them using the Machine First™ approach. TCS has executed large-scale multi-geography, digital process automation projects using Pega technologies, helping customers achieve performance breakthroughs and seamless user experiences.

"*This award from Pega is a recognition of our Machine First approach that helps enterprises successfully augment human capability with automation and artificial intelligence to support complex problem solving and better decision making in their growth and transformation journeys*," said **PR Krishnan, Global Head, Enterprise Intelligent Automation and Artificial Intelligence Unit, TCS**. "*We are excited to see our partnership with Pega continue to evolve as we help deliver intelligent business operations and superior experiences for our customers*."

"*We're happy to acknowledge TCS' high performance with this Excellence in Growth and Delivery award*," said **Ken Nicolson, VP, Global Alliances, Pegasystems**. *"The role our strategic partners play in delivering transformational business outcomes for our mutual clients can be critical to each organization's success."*

TCS is among a select group of Pega Platinum Consulting Partners, with one of the top three Pega practices spread across North America, Europe, APAC, India, and the Middle East. Over the past 19 years, TCS has executed large, complex, and multi-geo transformational projects for market-leading companies across many industries, including banking, insurance, telecom, healthcare, aviation, and energy. TCS has been honored with six partner awards in the past seven years, including last year's Excellence in Digital Transformation (2019).

About Tata Consultancy Services Ltd. (TCS)

Tata Consultancy Services is an IT services, consulting and business solutions organization that has been partnering with many of the world's largest businesses in their transformation journeys for

over 50 years. TCS offers a consulting-led, cognitive powered, integrated portfolio of business, technology and engineering services and solutions. This is delivered through its unique Location Independent Agile™ delivery model, recognized as a benchmark of excellence in software development.

A part of the Tata group, India's largest multinational business group, TCS has over 448,000 of the world's best-trained consultants in 46 countries. The company generated consolidated revenues of US $22 billion in the fiscal year ended March 31, 2020, and is listed on the BSE (formerly Bombay Stock Exchange) and the NSE (National Stock Exchange) in India. TCS' proactive stance on climate change and award-winning work with communities across the world have earned it a place in leading sustainability indices such as the Dow Jones Sustainability Index (DJSI), MSCI Global Sustainability Index and the FTSE4Good Emerging Index.
