TCS Wins 2020 Google Cloud Breakthrough Partner of the Year Award

Tata Consultancy was Recognized for Demonstrating Innovative Thinking, Outstanding Customer Service, and Best-in-Class Use of Google Cloud Products and Solutions

SUNNYVALE, CA | MUMBAI, July 22, 2021: Tata Consultancy Services (TCS) (BSE: 532540, NSE: TCS), a leading global IT services, consulting and business solutions organization, has been selected as the 2020 Google Cloud Breakthrough Partner of the Year for demonstrating innovative thinking, outstanding customer service, and best-in-class use of Google Cloud products and solutions.

TCS is a Premier Google Cloud partner with a large and growing global talent pool of Google Cloud-certified consultants. In recent months, it has won significant cloud transformation deals with marquee leaders with its full-stack service catalog that includes IT modernization, digital transformation, and industry solution offerings as well as strong capabilities, accelerators, and differentiators. TCS won the 2020 Google Cloud Breakthrough Partner of the Year Award for outstanding results across sales, delivery, competency development, expertise, specialization badges, and growth of its customer base.

TCS has invested in and built industry-specific solutions on Google Cloud to drive innovation and digital transformation for industries such as banking and financial services, life sciences and healthcare, retail and consumer packaged goods, communications and media, manufacturing, utilities and energy and resources. Use cases include personalized digital consumer experiences in retail, modernizing manufacturing processes with AI and connected machines, and building multi-cloud platforms for the financial services industry.

“TCS is helping leading enterprises accelerate their multi-horizon cloud transformation journeys leveraging its contextual knowledge, innovation and intellectual property to power their purpose-led sustainable growth,” said **Nidhi Srivastava, Global Head, Google Business Unit, TCS.** *“We are honored to win this award. It validates our agility, leadership in innovation around Google Cloud, our exceptional customer service, and the resultant outstanding growth.”*

“We’re delighted to recognize Tata Consultancy Services as our Global Breakthrough Partner of the Year based on the growth of their Google Cloud business and their commitment to customer success,” said **Kevin Ichhpurani, Corporate Vice President, Global Partner Ecosystem, Google Cloud.** *“These annual awards recognize the significant commitment our partners like TCS have made in supporting customers’ digital transformations, and in launching a dedicated Google Business Unit with end-to-end partnership across sales, delivery, and competency in order to foster accelerated growth.”*

About Tata Consultancy Services (TCS)

Tata Consultancy Services is an IT services, consulting and business solutions organization that has been partnering with many of the world’s largest businesses in their transformation journeys for over 50 years. TCS offers a consulting-led, cognitive powered, integrated portfolio of business, technology and engineering services and solutions. This is delivered through its unique Location Independent Agile™ delivery model, recognized as a benchmark of excellence in software development.

A part of the Tata group, India’s largest multinational business group, TCS has over 500,000 of the world’s

best-trained consultants in 46 countries. The company generated consolidated revenues of US \$22.2 billion in the fiscal year ended March 31, 2021, and is listed on the BSE (formerly Bombay Stock Exchange) and the NSE (National Stock Exchange) in India. TCS' proactive stance on climate change and award-winning work with communities across the world have earned it a place in leading sustainability indices such as the MSCI Global Sustainability Index and the FTSE4Good Emerging Index.
