TCS Recognized as 2021 HPE GreenLake Ecosystem Partner of the Year

Tata Consultancy Services Empowers Enterprises to Innovate Faster and Achieve Superior Business Outcomes Using the TCS Enterprise Cloud

NEW YORK | MUMBAI, October 27, 2021: Tata Consultancy Services (TCS) (BSE: 532540, NSE: TCS), a leading global IT services, consulting, and business solutions organization, has won the 2021 Hewlett Packard Enterprise (HPE) GreenLake Ecosystem Partner of the Year Award.

The 2021 HPE Partner of the Year Awards recognize HPE partners from across the ecosystem for their incredible commitment to customer excellence, continued strong performance, focus on growth, and dedication to mutual achievements. This award confirms TCS' ongoing commitment to providing the highest level of customer experience, as well as transformative and innovative IT solutions.

TCS Enterprise Cloud coupled with the HPE GreenLake edge-to-cloud platform, enables a flexible, scalable, pay-as-you-grow foundation for infrastructure, virtual desktop infrastructure, advanced analytics for SAP S/4 HANA, and modern storage. Working together, TCS and HPE provide customers with solutions to accelerate their digital transformations, from edge to cloud, and help enterprises around the world tackle their toughest issues to achieve transformative business outcomes. Recently, TCS and HPE led an end-to-end cloud transformation for a global retailer, and helped a global aluminum producer drive its cloud-enabled business strategy.

TCS' Enterprise Cloud provides contextual, full-stack and secure cloud services, including strategy and assessment, foundation, migration, and modernization. Coupled with TCS' industry solutions, it empowers enterprises to innovate faster and achieve superior business outcomes. This enables agility, helps harness ecosystems, and drives synergy across all areas of the IT landscape to realize exponential value. Trusted by leading companies, TCS Enterprise Cloud supports mission critical workloads and provides access to industry solutions on SAP, TCS Optumera™, TCS BaNCS™, TCS Advanced Drug Development (ADD), and mainframe technologies.

*"We are delighted to win the HPE GreenLake Ecosystem Partner of the Year award. This recognition reflects our drive to deliver best in class customer experience through our contextual solutions, ability to drive transformation at scale and help customers realize their growth aspirations," said **Satishchandra Doreswamy, Global Head, TCS Enterprise Cloud.***

*"We are proud to recognize TCS as the 2021 HPE GreenLake Ecosystem Partner of the Year. For more than three decades, HPE and TCS have maintained a strategic alliance to bring organizations around the world the solutions and expertise to transform their business from edge to cloud. As we share the same drive to deliver excellent customer experience, I look forward to continuing this legacy of success in bringing our joint solutions to the market with the HPE GreenLake edge-to-cloud platform," said **George Hope, Worldwide Head of Partner Sales, HPE.***

About Tata Consultancy Services

Tata Consultancy Services is an IT services, consulting and business solutions organization that has been partnering with many of the world's largest businesses in their transformation journeys for over 50 years. TCS offers a consulting-led, cognitive powered, integrated portfolio of business, technology and engineering

For immediate use **Press Release**

services and solutions. This is delivered through its unique Location Independent Agile™ delivery model, recognized as a benchmark of excellence in software development.

A part of the Tata group, India's largest multinational business group, TCS has over 528,000 of the world's best-trained consultants in 46 countries. The company generated consolidated revenues of US \$22.2 billion in the fiscal year ended March 31, 2021, and is listed on the BSE (formerly Bombay Stock Exchange) and the NSE (National Stock Exchange) in India. TCS' proactive stance on climate change and award-winning work with communities across the world have earned it a place in leading sustainability indices such as the MSCI Global Sustainability Index and the FTSE4Good Emerging Index.
