## **TCS Voted as the Top Digital Transformation Enabler in Survey of Indian CIOs**

*Tata Consultancy Services Won the CIO Choice 2021 Recognition for Helping Customers Digitally Transform their Businesses with its Deep Contextual Knowledge, Expertise in Digital Technologies and Rich Portfolio of Solutions*

**MUMBAI, January 28, 2021:** Tata Consultancy Services (TCS) (BSE: 532540, NSE: TCS), a leading global IT services, consulting and business solutions organization, has been honored with the CIO Choice 2021 in the category Digital Transformation Enabler.

The CIO Choice 2021, organized by CORE Media, celebrates the best Information and Communications Technology (ICT) brands for their innovation and excellence. Winners are determined through an independent survey where CIOs and ICT decision makers from across the country vote for their preferred and trusted brands. A distinguished advisory panel, comprising of seasoned CIOs from across industry verticals, guides the entire process. Nominees were voted on product performance, customer satisfaction and continued customer service.

TCS was recognized for its investments in research and innovation, strong domain knowledge across industries, rigor in service delivery, and comprehensive portfolio of services and platform solutions including IT and advisory services, and digital workplace. TCS partners with some of India's largest corporations in their innovation, growth and transformation initiatives. In the past year, it has expanded and deepened relationships, deploying very impactful solutions, and winning some of its largest deals till date.

TCS is helping customers look beyond the products and services they sell, to the purpose behind their existence, defining the blueprint for their transformation journey and layering this approach with resilience and adaptability. It has been helping customers enhance their operational resilience by building a flexible, secure and future-proof IT core that leverages cloud, APIs and microservices. Using its Machine First™ approach, the company leverages IoT, analytics and automation to seamlessly interconnect components, systems, and people, while enabling real time monitoring and maintenance. TCS' Location Independent Agile™ model has helped companies reduce project risks and gain significant speed to market benefits.

*"TCS has been at the forefront of building a Digital India, anchoring transformation programs of national importance. With our deep contextual knowledge of our customers' businesses, expertise in digital technologies and continued investments in research and innovation, we are helping the country's leading corporations enhance customer experience, improve resilience and agility, and reimagine business models,"* said **Ujjwal Mathur, Country Head, TCS India**. *"We are pleased to receive the 2021 CIO Choice recognition by CIOs and ICT decision makers from across the country, which is a testimony to the pivotal role that TCS has been playing in India Inc's growth and transformation journey."*

**About Tata Consultancy Services Ltd. (TCS)**

Tata Consultancy Services is an IT services, consulting and business solutions organization that has been partnering with many of the world’s largest businesses in their transformation journeys for over 50 years. TCS offers a consulting-led, cognitive powered, integrated portfolio of business, technology and engineering services and solutions. This is delivered through its unique Location Independent Agile™ delivery model, recognized as a benchmark of excellence in software development.

A part of the Tata group, India's largest multinational business group, TCS has over 469,000 of the world’s best-trained consultants in 46 countries. The company generated consolidated revenues of US \$22 billion in the fiscal year ended March 31, 2020, and is listed on the BSE (formerly Bombay Stock Exchange) and the NSE (National Stock Exchange) in India. TCS' proactive stance on climate change and award-winning work with communities across the world have earned it a place in leading sustainability indices such as the Dow Jones Sustainability Index (DJSI), MSCI Global Sustainability Index and the FTSE4Good Emerging Index.
