## TCS renews its strategic partnership with Marks and Spencer

- *Renewal of the technology strategic partner contract continues decade long relationship*
  - *Partnership is business wide and includes support to simplify and streamline technology foundations, modernise legacy platforms, and embed AI*

**MUMBAI, April 9, 2026:** [Tata Consultancy Services \(TCS\)](#) (BSE: 532540, NSE: TCS), a global leader in IT services and consulting today announced the renewal of its major, multi year strategic partnership with Marks & Spencer (M&S). This continuing engagement builds on the more than a decade long trusted partnership between the two organisations and will see TCS continue to serve as M&S's strategic technology partner as the retailer embeds its technology transformation.

As part of this continuing partnership, TCS will support M&S as it transforms to become an omnichannel, data driven retailer supported by globally best-in-class modern technologies. TCS will utilise AI in its transformation approach—supported by its extensive domain expertise and one of the world's largest AI talent pools. This will support future-readiness, provide the right base for long term growth, and create superior customer experience.

**Sacha Berendji, Operations Director, Marks and Spencer,** said, *“Technology transformation is a key strategic priority for M&S as we invest for growth. Having the right suite of partners, with access to the latest developments in AI and digital expertise is imperative. I am pleased that we are extending our partnership with TCS, who will work alongside our in-house team as we accelerate our digital transformation.”*

**Krishnan Ramanujam, President - Consumer Business Group, Tata Consultancy Services,** said, *“M&S is a highly cherished and iconic British brand, that has always been at the forefront of retail innovation. We are proud of our long-standing partnership and delighted to be chosen to support its enterprise transformation. Our strong contextual knowledge of M&S's business helped lead the digital wave for M&S. As M&S now accelerates its technology transformation we look forward to bringing our enterprise-scale AI capabilities, deep retail expertise, and engineering leadership to create sustained value, business agility, and a future-ready retail enterprise.”*

### About Tata Consultancy Services Ltd (TCS)

Tata Consultancy Services (BSE: 532540, NSE: TCS) is the technology partner of choice for industry-leading organizations worldwide. Since its inception in 1968, TCS has upheld the highest standards of innovation, engineering excellence and customer service.

It has set an aspiration to become the world's largest AI-led technology services company and is enabling its clients to transform themselves across the full AI stack, from infrastructure to intelligence.

Rooted in the heritage of the Tata Group, TCS is focused on creating long term value for its clients, its investors, its employees, and the community at large. With a highly skilled workforce spread across 55 countries and 202 service delivery centers across the world, the company has been recognized as a top employer in six continents. With the ability to rapidly apply and scale new technologies, the company has built long term partnerships with its clients – helping them emerge as perpetually adaptive enterprises. Many of these relationships have endured into decades and navigated every technology cycle, from mainframes in the 1970s to artificial intelligence today.

TCS sponsors 14 of the world’s most prestigious marathons and endurance events, including the TCS New York City Marathon, TCS London Marathon and TCS Sydney Marathon with a focus on promoting health, sustainability, and community empowerment.

TCS generated consolidated revenues of over US \$30 billion in the fiscal year ended March 31, 2026. For more information, visit [www.tcs.com](http://www.tcs.com)
