Dear Sirs,

**Sub: Credit Rating**

We wish to inform you that the Moody's Ratings has upgraded Tata Consultancy Services Limited's long-term local currency issuer rating from **Baa1** to **A2** following an update to its sovereign linkages methodology.

Tata Consultancy Services Limited has been rated four notches above the Indian sovereign. The long-term local currency issuer rating of A2 is in line with India's local currency ceiling.

The rating reflects TCS' strong intrinsic credit strength. In the absence of sovereign and country risk constraints, TCS' standalone credit profile would support a rating higher than the assigned A2, indicating headroom to absorb stress while maintaining strong credit quality.

This is also being made available on the website of the Company at [www.tcs.com](http://www.tcs.com).

Thanking you,

Yours faithfully,  
For **Tata Consultancy Services Limited**
