Tata Consultancy Services ranked 3rd among global providers of financial technology

TCS improves ranking in the FinTech 100 for the fourth consecutive year

Mumbai & BAI RDS Chicago, October 12th, 2011: Tata Consultancy Services (TCS), (BSE: 532540, NSE: TCS) a leading IT services, consulting and business solutions organization, announced today that it has been ranked 3rd in the FinTech 100, an annual international listing of the top vertical technology vendors that derive more than one-third of their revenue from financial services industry as named by American Banker, Bank Technology News and IDC Financial Insights.

For the fourth consecutive year, TCS has been ranked among the top 10 in the FinTech100. Nearly 45% of TCS' revenue came from banking, financial services and insurance during financial year 2010-11. TCS has moved up one more spot from last year. The FinTech 100 ranking is categorized and evaluated based on calendar year revenues and the percentage of revenue attributed to financial services.

"TCS' continued improvement and recognition is a reflection of our customers confidence, and not just in our products and services. It is in our DNA to keep our customers at the center of our business" said N. Ganapathy Subramaniam, President – TCS Financial Solutions. "As the industry navigates through these challenging economic conditions, TCS remains committed to providing best-in-class services and technology to the financial services industry."

For more information about the rankings, visit www.financial-insights.com/fintech.
