Posten Norge Expands its Strategic Partnership with TCS to Enable Superior Customer Experience

Tata Consultancy Services to Help the Nordic Postal and Logistics Group Build a Digital Foundation, Adopt Agile Practices and Drive Automation

OSLO | MUMBAI, September 5, 2019: Tata Consultancy Services (BSE: 532540, NSE: TCS), a leading global IT services, consulting, and business solutions organization, announced that it has expanded its strategic partnership with Posten Norge AS, a Nordic postal and logistics group, to build a digital stack that will enable product innovation and a superior customer experience.

Posten began its partnership with TCS in 2013. Over the last six years, the partnership has resulted in a round the clock IT platform and the implementation of various digital business solutions.

The expanded partnership will focus on developing modern, intelligent and automated solutions for Posten, in the areas of mail, communications and logistics. TCS will also enable the adoption of agile working methods, harmonize IT services, drive automation and accelerate the company's growth and transformation journey.

"Through our renewed and expanded partnership with TCS, Posten will be able to adopt new modern technologies and working methods and ultimately provide a first-class service to all of our customers," said **Arne Erik Berntzen, CIO, Posten Norge AS**.

"Our contextual and domain knowledge combined with a focus on customer satisfaction and innovation makes us a preferred partner for our customers. We are pleased to expand our relationship to create a strong digital foundation to support Posten's strategy of a customer-oriented, simplified and profitable business," said **Rajan Maheshwari, Country Manager, Norway, TCS**.

"The postal industry is undergoing fundamental changes and postal organizations have harnessed digital technology to convert challenges into opportunities. Posten is at the forefront of this transformation to be a customer centric organization. We are proud to support it in this journey," said **Arun Pradeep, Head, Travel, Transportation & Hospitality Industry Unit, Europe, TCS.**

###

About Posten Norge AS

Posten Norge AS is a Nordic postal and logistics group that develops and delivers comprehensive solutions within mail, communications and logistics, with the Nordic region as a home market. The group meets the market with two brands, Posten and Bring: Posten characterizes the offer to the private customer, the post office network and the daily mail distribution to the entire Norwegian people. Bring focuses on corporate customers in the field of e-commerce and logistics in the Nordic countries.

About Tata Consultancy Services Ltd. (TCS)

Tata Consultancy Services is an IT services, consulting and business solutions organization that has been partnering with many of the world's largest businesses in their transformation journeys for the

last fifty years. TCS offers a consulting-led, cognitive powered, integrated portfolio of business, technology and engineering services and solutions. This is delivered through its unique Location Independent Agile delivery model, recognized as a benchmark of excellence in software development.

A part of the Tata group, India's largest multinational business group, TCS has over 436,000 of the world's best-trained consultants in 46 countries. The company generated consolidated revenues of US $20.9 billion in the fiscal year ended March 31, 2019, and is listed on the BSE (formerly Bombay Stock Exchange) and the NSE (National Stock Exchange) in India. TCS' proactive stance on climate change and award winning work with communities across the world have earned it a place in leading sustainability indices such as the Dow Jones Sustainability Index (DJSI), MSCI Global Sustainability Index and the FTSE4Good Emerging Index.
