TCS LATAM Named the Nearshore Trendsetter of the Year

Tata Consultancy Services Recognized at the 2019 Nexus Illuminate Awards, for its Business 4.0™ Framework and Advocacy of Cloud, Automation and Artificial Intelligence

MEXICO CITY | MUMBAI, August 08, 2019: Tata Consultancy Services (TCS) (BSE: 532540, NSE: TCS), a leading global IT services, consulting and business solutions organization, announced that it has been named the Nearshore Trendsetter of the Year at the 2019 Nexus Illuminate Awards.

The Awards are presented by Nearshore Americas to celebrate excellence and innovation in nearshore service delivery. TCS was recognized for its Business 4.0™ thought leadership framework, which helps companies embrace digital technologies to become intelligent, Agile, automated and on the cloud.

"TCS Latin America has set the bar high in every regard. Operationally and strategically, TCS Latin America continues to innovate within the nearshore delivery model and therefore is well deserving of this Nexus 2019 honor," said **Kirk Laughlin, Founder and Managing Director, Nearshore Americas.**

"This award is a recognition of our thought leadership, investments in state-of-the-art nearshore and global service delivery infrastructure, our large pool of digital talent and commitment to our customers' success," said **Marcelo Wurmann, CEO, TCS Latin America.**

"We are delighted to receive this award on behalf of all TCSers in the nearshore region and elsewhere, who work very hard to support our customers' growth and transformation initiatives," added **Rajeev Gupta, Country Head, TCS Mexico.**

TCS is one of the largest IT service providers and a Top Employer in Latin America, with over 16,000 employees. Strong business growth in the region has led the company to open new facilities in Londrina, Brazil and Bogotá, Colombia, and more to come in Mexico. The company also supports various outreach programs in the region, such as ENABLE, which promotes employability amongst vulnerable sections of the society, and goIT, which empowers students to gain the skills and confidence required to become tomorrow's technology leaders.

About Tata Consultancy Services Ltd (TCS)

Tata Consultancy Services is an IT services, consulting and business solutions organization that has been partnering with many of the world's largest businesses in their transformation journeys for the last fifty years. TCS offers a consulting-led, cognitive powered, integrated portfolio of business, technology and engineering services and solutions. This is delivered through its unique Location Independent Agile delivery model, recognized as a benchmark of excellence in software development.

A part of the Tata group, India's largest multinational business group, TCS has over 436,000 of the world's best-trained consultants in 46 countries. The company generated consolidated revenues of US $20.9 billion in the fiscal year ended March 31, 2019, and is listed on the BSE (formerly Bombay Stock Exchange) and the NSE (National Stock Exchange) in India. TCS' proactive stance on climate change and award winning work with communities across the world have earned it a place in leading sustainability indices such as the Dow Jones Sustainability Index (DJSI), MSCI Global Sustainability Index and the FTSE4Good Emerging Index.
