TCS Named Snowflake EMEA GSI Partner of the Year

Tata Consultancy Services Received the Award for Driving the Most Customer Value in 2018

LONDON | MUMBAI, March 19, 2019: Tata Consultancy Services (TCS) (BSE: 532540, NSE: TCS), a leading global IT services, consulting and business solutions organization, has been named the 2018 EMEA GSI Partner of the Year by Snowflake Computing, the only data warehouse built for the cloud, at its Partner Summit in London.

TCS received this award for leveraging its deep subject matter expertise and contextual knowledge to help customers use digital technologies to accelerate their Business 4.0™ transformations.

"By working closely with new digital technology partners such as Snowflake, we are able to help our customers leverage the elasticity of the cloud and become data-driven enterprises. This enables better decision making, and superior customer experiences," said **Raman Venkatraman, Global Head, Alliances and Technology Unit, TCS**. *"This award recognizes our customer centric approach of leveraging the most appropriate technology for data-driven digital transformation."*

"We are pleased to announce TCS as our EMEA Partner of the Year," said **Kevin Miller, VP System Integrators, Snowflake Computing**. *"Partners such as TCS have helped us grow. TCS' commitment to its customers, and providing them with next-gen digital technologies in their transformational journeys, makes them an ideal partner for us at Snowflake. We're proud to work together and grow our joint customer base."*

TCS is a global strategic partner of Snowflake and has a large pool of Snowflake certified consultants that use the platform to run more workloads without delay or disruption and make more informed business decisions.

About Tata Consultancy Services Ltd (TCS)

Tata Consultancy Services is an IT services, consulting and business solutions organization that has been partnering with many of the world's largest businesses in their transformation journeys for the last fifty years. TCS offers a consulting-led, Cognitive powered, integrated portfolio of IT, Business & Technology Services, and engineering. This is delivered through its unique Location Independent Agile delivery model, recognized as a benchmark of excellence in software development.

A part of the Tata group, India's largest multinational business group, TCS has over 417,000 of the world's best-trained consultants in 46 countries. The company generated consolidated revenues of US $19.09 billion for year ended March 31, 2018 and is listed on the BSE (formerly Bombay Stock Exchange) and the NSE (National Stock Exchange) in India. TCS' proactive stance on climate change and award-winning work

with communities across the world have earned it a place in leading sustainability indices such as the Dow Jones Sustainability Index (DJSI), MSCI Global Sustainability Index and the FTSE4Good Emerging Index. For more information, visit us at www.tcs.com.

About Snowflake Computing

Snowflake is the only data warehouse built for the cloud, enabling the data-driven enterprise with instant elasticity, secure data sharing and per-second pricing, across multiple clouds. Snowflake combines the power of data warehousing, the flexibility of big data platforms and the elasticity of the cloud at a fraction of the cost of traditional solutions. Snowflake: Your data, no limits. Find out more at snowflake.com.
