**Puducherry selects Tata Consultancy Services for its
State Data Center project**
To help state government in providing enhanced citizen services

Mumbai, March 1, 2011: Tata Consultancy Services, (BSE: 532540, NSE: TCS), the leading IT services, business solutions and outsourcing firm announced, that it had won a contract for establishing and managing the State Data Centre (SDC) for the state of Puducherry. The State Data Center which was earlier inaugurated by Shri Sachin Pilot, Honourable Minister of State for Communications & Information Technology, Government of India is ready for commissioning.

The state-of-the-art Data Center will enhance the infrastructure required to consolidate the state level applications like Commercial Taxes Application, State Service Delivery Gateway, e-District etc and will be interoperable with the existing infrastructure. These services will be rendered by the Puducherry through common delivery platform seamlessly supported by core Connectivity Infrastructure such as State Wide Area Network (SWAN) and Common Service Centre (CSC) connectivity extended up to village level.

"This data center will prove to be a milestone in the IT enablement of the state. Puducherry e-Governance Society (PeGS) under the Directorate of Information Technology is committed for the development of state and has completed several assignments." said Shri R P Pal IAS, Secretary – IT, Government of Puducherry.

"We are delighted to partner with Puducherry to establish a reliable and efficient State Data Center (SDC). Apart from Puducherry, TCS is implementing Data Centers for various Central Government Agencies as well as Karnataka and Uttar Pradesh State Data Centers under National e-Governance Plan." said Tanmoy Chakrabarty, Head and Vice President, Government ISU.
