TCS Named Red Hat's "System Integrator Partner of the Year" for North America

Award Honors TCS' Enablement of Exceptional Integration for Red Hat Solutions

NEW YORK | MUMBAI, May 05, 2015: Tata Consultancy Services (BSE: 532540, NSE: TCS), a leading IT services, consulting and business solutions organization, has been awarded the prestigious recognition of "System Integrator Partner of the Year" by Red Hat, the world's leading provider of open source solutions. Announced during the annual Red Hat North America Partner Awards on April 8 in Orlando, Florida, recipients were honored for their ability to successfully deliver innovative open source solutions to customers in the commercial and public sector channels.

This designation is a reflection of TCS' solid relationship with Red Hat, specifically its strong system integrator capabilities that enable the seamless and exceptional integration of Red Hat solutions. Together, TCS and Red Hat's expertise and innovation have provided customers with industry leading services and superior offerings.

"This award validates our ongoing commitment to providing our customers with the best solutions to truly meet their needs," said Raman Venkatraman, Global Head, Alliance & Technology Unit, TCS. "It's also a validation of our successful relationship with Red Hat. We're very happy to be chosen as the System Integrator Partner of the Year for North America."

"TCS is one of our most valued channel partners, and we're thrilled to recognize them with this award," said Mark Enzweiler, Senior Vice President, Global Channel Sales, Red Hat. "Red Hat's success is based largely on contributions from our partners, and TCS has been an important part of that effort. We look forward to continued success with them in the future."
