TD Power Systems' EPC subsidiary wins orders aggregating to Rs. 234 crore

Bangalore: 13th February 2013: TD Power Systems Limited (TDPS), a leading manufacturer of AC Generators that also undertakes execution of captive and independent power projects, today announced that its wholly-owned subsidiary DF Power Systems Private Limited (DFPS) has been awarded two separate contracts of aggregate order value of Rs. 234 crore.

DFPS, a leading provider of EPC solutions, comprising Design, Engineering, Procurement, Project Management, Construction, Erection and Commissioning services in the thermal power sector, in both conventional and renewable segments, has won a prestigious order from an industrial conglomerate for setting up of a 45MW captive power plant in North East India valued at Rs. 225 crore.

DFPS has also won a strategically important order from a private sector steel giant for waste gas fired package boilers valued at about Rs. 9 crore.

Commenting on the order wins, Mr. Nikhil Kumar, Managing Director, said, *"We are very pleased to report these order wins from our EPC vertical against the back drop of a subdued capex environment. Our order inflow across manufacturing, projects and EPC is now seeing some improvement reflecting early signs of a turnaround. We expect this momentum to continue into the next fiscal year based on a growing pipeline of order negotiations and order finalizations."*

About TD Power Systems Limited (TDPS)

TDPS (BSE: 533553, NSE: TDPOWERSYS, Reuters: TDPS.BO, Bloomberg: TDPS:IN) is one of the leading manufacturers of AC Generators with output capacity in the range of 1 MW to 200 MW. The company's focus is on manufacturing custom-designed generators for its global customers.
