Sub: New Appointment of strategic advisor

Dear Sir / Madam,

TechEra Engineering (India) Limited is pleased to announce the appointment of Air Vice Marshal Sunil J Nanodkar (Retd), a highly decorated senior officer of the Indian Air Force, as Strategic Advisor to the Board of the Company.

Air Vice Marshal Sunil J Nanodkar (Retd) brings with him over 3,800 hours of accident-free flying experience across frontline IAF fighter aircraft and training platforms. A distinguished alumnus of the National Defence College, Defence Services Staff College and College of Combat, he has held several critical operational and leadership appointments, including:

- Assistant Chief of Air Staff (Operations – Offensive) at Air HQ;
- Principal Director – Aircraft (Ops Tactical);
- Commanding Officer of a frontline Jaguar fighter squadron;
- Led the first-ever overseas deployment of Indian fighter aircraft (Jaguars) to Alaska for a multinational exercise;

His illustrious service is recognized through India's highest peacetime military decorations, awarded for exceptional service and operational excellence:

- **Ati Vishisht Seva Medal (AVSM)** – for exceptional service
- **Vishisht Seva Medal (VSM)** – for distinguished service
- **Vayu Sena Medal (VM)** – for devotion to duty

Speaking on the appointment, Mr. Nimesh Desai, our Managing Director stated:
"We are privileged to welcome Air Vice Marshal Sunil J Nanodkar (Retd) to TechEra. His deep operational insight, leadership experience, and understanding of aerospace systems will significantly strengthen our defence-sector initiatives and strategic vision."

In his new role, Air Vice Marshal Sunil J Nanodkar (Retd) will guide TechEra's expansion in aerospace tooling, defence-grade manufacturing, precision engineering, ground-support equipment, and automation, ensuring alignment with global standards and Indian defence requirements.

This appointment reinforces TechEra's commitment to establishing itself as a trusted partner to the Indian aerospace and defence ecosystem, backed by domain expertise, quality systems, and veteran leadership.

About TechEra Engineering (India) Limited:

TechEra Engineering is an aerospace and precision tooling manufacturer specializing in high-complexity components and assemblies for defence and aviation programs.

You are requested to kindly note the same in your records.

Thanking you,

Yours faithfully,

For TECHERA ENGINEERING (INDIA) LIMITED
