About TechEra Engineering (India) Limited:

TechEra Engineering (India) Limited is a specialized precision engineering company serving India's Aerospace and Defence ecosystem. Established in 2018, the Company focuses on building indigenous, high-precision manufacturing capabilities aligned with the national initiatives of Make in India and Atmanirbhar Bharat.

TechEra delivers end-to-end engineering solutions across Aerospace & Defence tooling, precision manufacturing of critical components and sub-assemblies, MRO and ground support tooling, and turnkey automation solutions for technology-intensive and quality-critical applications.

The Company operates in compliance with globally recognised quality systems and is certified to AS9100D:2018 and ISO 9001:2015, underscoring its commitment to stringent quality, process discipline, and industry standards.
