Tech Mahindra Positioned in the “Leaders” Quadrant for IT Services for Communications Service Providers

Evaluation Based on Completeness of Vision and Ability to Execute

Hyderabad – October 7, 2013 – Tech Mahindra Ltd. a specialist provider of connected solutions to the connected world and enabling future digital enterprises, today announced that it has been positioned by Gartner, Inc. in the “Leaders” quadrant of the Magic Quadrant for IT Services for Communications Service Providers*.

“We consider our positioning in the “Leaders” quadrant by Gartner an affirmation of our mission to enable customers to unlock the power of transformation to derive tangible business value,” said Manish Vyas, Global Head – Business Development (Telecom), Tech Mahindra. “We continue to innovate while we execute our solutions roadmap. Given our leadership position in the global Telecom industry and our mature business models, we are committed to continue our investments and further enhance our market position.”

This Magic Quadrant helps large and midsize Communication Service Providers identify and evaluate suppliers for their operational IT services needs. The profiled vendors have expertise with discrete and multiyear engagements around CSP operational IT in a multiregional context.

In the Telecom sector, we have niche and proven domain expertise, distinctive IT skills, research and development, innovative delivery models and approach to off-shoring. We have successfully implemented more than 18 Greenfield Operations globally and have over 151 active customer engagements mostly in the Telecom sector, and we have played a significant role in about 9 transformation programs of incumbent telecom operators.
