Phoenix, AZ – October 30, 2014 – Tech Mahindra Ltd. a specialist in digital transformation, consulting and business re-engineering today announced it has been named a Microsoft 2014 State and Local Solution Partner of the Year.

The Partner of the Year awards highlight and recognize excellence and achievement among Microsoft partners who are leading in the cloud-first, mobile-first world, and producing exceptional results for U. S government, healthcare and education customers.

The U.S. Public Sector Partner of the Year awards is presented during the 2014 Microsoft Public Sector Industry Solution University (ISU) yearly event, where Microsoft's Public Sector executive team was on site to congratulate Tech Mahindra for its achievements. Winners and finalists were chosen from more than 100 organizations across public sector segment areas of healthcare, education and government.

"Our award winners showcase the best of how our partners work hand in hand with us to bring about important change and modernization to our government, healthcare and education customers," said Vince Menzione, General Manager of Microsoft's U.S. Public Sector Partner business. "The Partner of the Year achievement recognizes Tech Mahindra for exemplary commitment to Microsoft and to the Public Sector field."

Over the last few years, Tech Mahindra worked closely with Microsoft to develop the Dynamics CRM-based solution, called MOVES, for modernizing the Motor Vehicle agencies. This flexible and highly configurable solution is being implemented in the State of New Hampshire, Division of Motor Vehicles, and will allow for efficient customer service to the citizens and a more maintainable solution for the State.
