Considering the above, notwithstanding the pendency of the various investigations/proceedings, the Management is of the view that the above investigations/proceedings would not result in any additional material provisions/write-offs/adjustments (other than those already provided for, written-off or disclosed) in the financial statements of the Company.

3.2 Forensic investigation and nature of financial irregularities

Consequent to the aforesaid letter, the Government nominated Board of Directors of erstwhile Satyam appointed an independent counsel ("Counsel") to conduct an investigation of the financial irregularities. The Counsel appointed forensic accountants to assist in the investigation (referred to as "forensic investigation") and preparation of the financial statements of erstwhile Satyam.

The forensic investigation conducted by the forensic accountants investigated accounting records to identify the extent of financial irregularities and mainly focused on the period from April 1, 2002 to September 30, 2008, being the last date up to which erstwhile Satyam published its financial results prior to the date of the letter. In certain instances, the forensic accountants conducted investigation procedures outside this period.

The forensic investigation had originally indicated possible diversion aggregating USD 41 Million from the proceeds of the American Depository Shares (ADS) relating to erstwhile Satyam. The amount was received to USD 19 Million based on the further details of utilisation of ADS proceeds obtained by erstwhile Satyam.

The overall impact of the fictitious entries and unrecorded transactions arising out of the forensic investigation, to the extent determined was accounted in the financial statements for the financial year ended March 31, 2009 of erstwhile Satyam.

Based on the forensic investigation, an aggregate amount of Rs. 11,39,923 Lakhs (net debt) was identified in the financial statements of erstwhile Satyam as at March 31, 2009 under "Unexplained differences suspense account (net)" comprising of fictitious assets, unrecorded loans or where complete information is not available. On grounds of prudence, these amounts had been provided for by erstwhile Satyam in the financial year ended March 31, 2009 and since there is no further information available with March 31, 2014, even after the lapse of more than four years, the said amount has been completely written off in the books of account of the Company during the year ended March 31, 2014.

The forensic investigation was unable to identify the nature of certain alleged transactions aggregating Rs. 12,30,40 Lakhs (net receipt) against which erstwhile Satyam had received legal notices from 37 companies claiming repayment of this amount which was allegedly given as temporary advances. Refer Note 3.3 below.

3.3 Alleged Advances
Consequent to the letter of the erstwhile Chairman, on January 8, 2009, the erstwhile Satyam received letters from thirty seven companies requesting confirmation by way of acknowledgement for receipt of certain alleged amounts referred to as "alleged advances". These letters were followed by legal notices from these companies dated August 4, 2009, claiming repayment of Rs. 12,30,40 Lakhs allegedly given as temporary advances. The legal notices also claim damages/compensation @ 8% per annum from date of advance till date of repayment. The erstwhile Satyam has not acknowledged any liability to any of the thirty seven companies and has replied to the legal notices stating that the claims are legally untenable.

The 37 companies had filed petitions / suits for recovery against the erstwhile Satyam before the City Civil Court, Secunderabad ("Court"), with a prayer that these companies be declared as judgment debtors for seeking exemption from payment of requisite court fees.

One petition where court fees have been paid and the pauper petition converted into a suit which is pending disposal and petitions filed by remaining 36 companies are before the Court, at various stages of rejection of pauperism/ trial of pauperism/ inquiry in condone delay applications.

The remaining petitions are at a preliminary stage before the Court, for considering condonation of delay in re-submission of pauper petitions. In one petition, the delay had been condoned by the Court and the Company has obtained an interim stay order from the Honorable High Court of Andhra Pradesh.

The erstwhile Satyam had received legal notices from nearly all of the above companies, calling for payment of the amounts allegedly advanced by them (including interest and damages), failing which they would be constrained to file a petition for winding up the affairs of Satyam. In pursuance thereof, one of the alleged companies had filed a winding up petition that was dismissed by the High Court. Against the said order of dismissal, the aforementioned company has filed an appeal before the Division Bench of High Court of Andhra Pradesh which is pending hearing.

Furthermore, even in connection with the merger proceedings, the erstwhile Satyam had received letters from the aforesaid companies claiming themselves to be "creditors". They had pleaded inter-alia before the High Court (treating the merger petition of the erstwhile Satyam with the Company) that the mandatory provisions governing the scheme under the Companies Act, 1956 have not been complied with in so far as convening a meeting of the creditors is concerned. They contended that without convening a meeting of the creditors and hearing their objections, the merger scheme could not be proceeded with.

To address these and other related objections, the High Court directed the Official Liquidator, with the assistance of a firm of Chartered Accountants (The firm), to scrutinise the books of the erstwhile Satyam and submit a report on the allegations aforesaid including the accounting system adopted by it with respect to the alleged advances. The firm, in their report, inter-alia, stated that the erstwhile Satyam under its new management, was justified in not treating these amounts as creditors and in classifying these alleged advances as "Amounts pending investigation suspense account (net)".

The High Court after considering the report of the firm and other contents of the erstwhile Satyam, held inter-alia, in its order approving the merger of the erstwhile Satyam with the Company, that the contention of the 37 companies that Satyam is retaining the money of the "creditors" and not paying them does not appear to be valid and further held that any right of the objecting creditors can be considered only if the genuineness of the debt is proved beyond doubt which is not so in this case.

The High Court in its order, further held that in the absence of Board resolutions and documents evidencing acceptance of unsecured loans by the former management of the erstwhile Satyam, the new management of the erstwhile Satyam is justified in not crediting the amounts received in their names and not showing them as creditors and further reflecting such amounts as Amounts pending investigation suspense account (net).

The Directorate of Enforcement (ED) is investigating the matter under the Prevention of Money Laundering Act, 2002 (PMLA) and directed the erstwhile Satyam to furnish details with regard to the alleged advances and has also directed not to return the alleged advances until further instructions from the ED. In furtherance to the investigation by the ED, the erstwhile Satyam was served with a provisional attachment order dated October 18, 2012 issued by the Joint Director, Directorate of Enforcement, Hyderabad under Section 5(1) of the PMLA. ("The Order").

As stated in the Order, the investigations of the ED revealed that Rs. 82,200 Lakhs constitutes "proceeds of crime" as defined in the PMLA. The erstwhile Satyam had challenged the order in the Honorable High Court of Andhra Pradesh ("The Writ"). The High Court has granted the writ, directing the ED to withdraw the attachment order and the ED had challenged the interim order passed by the Honorable High Court of Andhra Pradesh. The Honorable High Court has dismissed the Appeal filed by ED and continued the Stay granted on November 31, 2014.

The company received summons dated February 26, 2014 from Honorable XXI Additional Chief Metropolitan Magistrate, Hyderabad court Sessions Court, Hyderabad in connection with Enforcement Directorate filing a complaint under the Prevention of Money Laundering Act, 2002 against the Company along with 212 alleged persons. The ED has alleged that the Company has been involved in the offence of money laundering by possessing the proceeds of crime and projecting the same as unaccounted. The Company has challenged the above complaint before the Honorable High Court of Hyderabad and also sought for interim stay of all the proceedings before the Honorable High Court in connection with the criminal complaint against the Company vide its order dated December 22, 2014.

In view of the aforesaid developments and also based on legal opinion, the erstwhile Satyam's management's view, which is also the Company's management's view, is that the claim regarding the repayment of "alleged advances" (including interest thereon) of the 37 companies are not legally tenable and hence the Company is not liable to repay these amounts. Such an eventually will not have an adverse bearing on either the Company's profits or its reserves in that period, since the Company has been rightly advised that no damages/compensation/interest would be payable even in such an unlikely event.

However, notwithstanding the above, pending the final outcome of the recovery suit filed by the 37 companies in the City Civil Court and the ED matter under the PMLA pending before the High Court, the Company, as a matter of prudence, at this point of time, is continuing to classify the amounts of the alleged advances as "Amounts pending investigation".
