BPM Software Vendor PNMsoft collaborates with Leading Indian IT Exporter Tech Mahindra to offer superior customer experiences

London, 8th July, 2015: PNMsoft a global provider of Intelligent BPM Software (iBPMS) solutions has collaborated with India's leading IT services provider Tech Mahindra, a specialist in digital transformation, consulting and business re-engineering to benefit from synergies in key vertical markets.

Pritam Parvatkar, Vice President & Global Head - Alliances & Partnerships at Tech Mahindra, highlights:

"We are delighted to be entering into a strategic alliance with PNMsoft and we see PNMsoft as an important player in our mission to deliver superior customer experience solutions for our customers. As an expert Microsoft ISV in BPM, PNMsoft's unique product suite will complement Tech Mahindra's service offerings in the Customer Experience (CX) space while also leveraging our capabilities on Microsoft technologies. We strongly believe that this strategic alliance will help us in delivering superior outcomes for our customers"

Dinesh Kumar, Vice President & Head – Microsoft Enterprise solutions at Tech Mahindra, highlights:

"Tech Mahindra's strong experience and capabilities in SharePoint and Microsoft technologies along with PNMsoft's products will enable our new alliance to extend solutions to its clients in the BPM space."

Mike O'Donoghue, PNMsoft's Vice President of Global Partnerships & Alliances, reports:

"We are very excited and proud to be partnering with Tech Mahindra as a key Global SI, and who are also a globally managed Microsoft partner for more than 15 years. We have great alignment with multiple customers and market sectors in common, and we share the same vision to provide the benefit of the skills and solutions shared by both of our organizations. We are experiencing a tremendous increase in new clients and this is reflected in our fantastic growth results."

"In Tech Mahindra we see a great Global SI partner with tremendous reach geographically, significant domain experience and more than 500 highly skilled, qualified and experience resources who will deliver a great deal of value in many of our key verticals such as Telecommunications, Oil & Energy, Healthcare & Life Sciences, to name a few. We look forward to a long-term partnership who will help us grow even more into existing and new territories for PNMsoft."
