Press Release

Tech Mahindra one amongst the only three Indian companies to make it to the DJSI World Index

India – September 14, 2015 – Tech Mahindra Ltd. a specialist in digital transformation, consulting and business re-engineering today announced that they have made it the Dow Jones Sustainability Indices under both Emerging Markets and DJSI World category for the first time. Tech Mahindra, Mahindra & Mahindra and Mahindra Financials Services have also successfully made it to the list from the Mahindra Group of Companies.

"We believe that business and sustainability are truly connected. As an organization we have embedded the sustainability charter as a catalyst for growth, empowering individual businesses to drive sustainability. The credence granted by the Dow Jones Sustainability Indices is not only an honor for us but also testimony that we have successfully translated sustainability from a boardroom vision to a shop floor reality", **Commented CP Gurnani, MD&CEO Tech Mahindra.**

S&P Dow Jones Indices, one of the world's leading providers of financial market indices, and **RobecoSAM**, the investment specialist focused exclusively on Sustainability Investing, today announced the results of the annual Dow Jones Sustainability Indices ("DJSI") review.

Tech Mahindra is one amongst the only three Indian companies to make it to the DJSI World Index and one amongst nine companies which have made it to the DJSI Emerging markets category that comprises 92 companies from Asian economies such as China, Taiwan, and Singapore. DJSI World Index comprises of 317 companies globally picked across geographies based on their performance

S&P Dow Jones Indices, one of the world leading providers of financial market indices, and RobecoSAM, the investment specialist focused exclusively on Sustainability Investing, today announced the results of the annual Dow Jones Sustainability Indices ("DJSI") review. The Dow Jones Sustainability Indexes (DJSI) launched in 1999, are a family of indexes evaluating the sustainability performance of the companies. Dow Jones assesses companies on both financial as well as non-financial parameters of the company.
