Commenting on Financial Performance, Mr. Srinivasarao Vakalapudi, Chairman & Managing Director of Teja Engineering Industries Limited, said: *"FY26 has been an important year for Teja Engineering, marked by steady financial growth, continued execution across our service portfolio, and our successful listing on the NSE Emerge platform earlier this month. We believe the listing marks the beginning of a new phase in our journey, strengthening our corporate profile and creating a strong foundation for long-term growth.*

During the year, we remained focused on delivering reliable engineering and maintenance services to our customers while expanding our presence across the energy infrastructure sector. Our growing order pipeline, experienced workforce, and long-standing customer relationships continue to provide us with confidence as we move forward.

Looking ahead, we see significant opportunities driven by increasing investments in India's oil & gas, city gas distribution, and energy infrastructure sectors. We remain committed to maintaining high execution standards, enhancing operational efficiencies, and creating sustainable value for all our stakeholders as we continue to build on the trust we have earned over the years."

Teja Engineering Industries Limited
