Tembo Defence Products Completes Key Regulatory Step for Defence Manufacturing Licence

Mumbai, India: 30th December 2025: Tembo Defence Products Pvt. Ltd., a subsidiary of Tembo Global Industries Limited (NSE: **TEMBO**), a leading name in the industrial manufacturing and engineering sector, announces that it has paid the requisite fees towards obtaining the **defence manufacturing licence**.

This development follows the **Memorandum of Understanding (MoU)** signed with the **Government of Maharashtra** at the **World Economic Forum 2025, Davos**, for the establishment of a **small arms manufacturing plant** in collaboration with the **Maharashtra Industrial Development Corporation (MIDC), Mumbai**.

The proposed facility is aimed at strengthening indigenous defence manufacturing capabilities in line with the Government of India's 'Make in India' and 'Aatmanirbhar Bharat' initiatives. The project is expected to contribute to local employment generation, technology advancement, and the development of a robust domestic defence ecosystem.

Commenting on the development, **Mr. Sanjay J. Patel, Managing Director, Tembo Global Industries Ltd.**, said: *"The payment of licence fees marks a significant milestone in our journey towards establishing a world-class small arms manufacturing facility in Maharashtra. This initiative aligns with our long-term vision of contributing meaningfully to India's defence self-reliance while leveraging our engineering expertise and manufacturing capabilities. We are grateful for the support extended by the Government of Maharashtra and MIDC, and we remain committed to executing this project with the highest standards of quality, compliance, and innovation."*

About Tembo Global Industries Limited:

Incorporated in 2010, Tembo Global Industries stands as a prominent entity in the industrial sector, specializing in the production and assembly of metal components for Pipe Support Systems, Fasteners, Anchors, HVAC, Anti-Vibration Systems, and Equipment for a range of installations including industrial, commercial, utility, and OEM. The company also engages in the trade of metal products that complement its manufacturing operations. The Company is a fabrication and installation specialist in ductile pipes, HDB pipes and fittings, and MS plate. Its products are certified and approved by Underwriter's Laboratory Inc. (USA) and FM Approval (USA) for Fire Sprinkler System Installations. As an export-driven enterprise, Tembo has earned the distinction of a 2 Star Export House. In 2023, Tembo ventured into the EPC (Engineering, Procurement, and Construction) contracting arena, securing orders from prestigious infrastructure clients. Additionally, the Company has interests in the textile trading market. In 2024, the Company further diversified into manufacturing of defence products and entered in solar power.
