EXPLANATORY STATEMENT PURSUANT TO SECTION 102 OF THE COMPANIES ACT, 2013

The following explanatory statement, as required under Section 102 of the Companies Act, 2013, sets out all material facts relating to special business mentioned in the accompanying notice for convening the AGM of the Company.

Item No. 8 and 9

Keeping in view the existing and future financial requirements to support its business operations, the Company may needadditional funds. For this purpose, the Company may, from time to time, raise finance from various Banks and/or Financial Institutions and/ or any other lending institutions and/or Bodies Corporate and/or such other persons/ individuals as may be considered fit, which, together with the moneys already borrowed by the Company (apart from temporary loans obtained from the Company's bankers in ordinary course of business) may exceed the aggregate of the paid-up capital and free reserves of the Company. Hence it is proposed to increase the maximum borrowing limits from Rs. 200 crores to Rs. 225 Crores for the Company. Pursuant to Section 180(1)(c) of the Companies Act, 2013, the Board of Directors cannot borrow more than the aggregate amount of the paid-up capital of the Company and its free reserves at any one time except with the consent of the members of the Company in a general meeting. In order to facilitate securing the borrowing made by the Company, it would be necessary to create charge on the assets or whole or part of the undertaking of the Company. Further, Section 180(1)(a) of the Companies Act, 2013 provides for the power to sell, lease or otherwise dispose of the whole or substantially the whole of the undertaking of the Company subject to the approval of members in the General Meeting, which authorisation is also proposed to be increased from Rs. 200 crores to Rs. 225 Crores for the Company. Hence, the Special Resolution at Item No.8 and 9 of the Notice is being proposed, since the same exceeds the limits provided under Section 180(1) (a) & 180(1)(c) of the Act. The Directors recommend the Special Resolution as set out at Item No. 8 and 9 of the accompanying Notice, for members'approval.

None of the Directors or Key Managerial Personnel of the Company and their relatives is concerned or interested, financially or otherwise, in the Special Resolution except to the extent of their shareholding in the Company.

Item No. 10

In order to make optimum use of funds available with the Company and also to achieve long term strategic and business objectives, the Board of Directors of the Company proposes to make use of the same by making investment

- In Subsidiary or granting loans, giving guarantee or providing security to Subsidiary as and when required. Pursuant to the provisions of section 186(3) of the Companies Act, 2013 and rules made there under, and the FEMA regulation the Company needs to obtain prior approval of shareholders / members by way of special resolution passed at the General Meeting in case the amount of investment, loan, guarantee or security proposed to be made through foreign commitment exceed USD 100000/- in a Financial year even if it is within 400% of the net-worth as per the last audited balance sheet subject to RBI prior approval. Accordingly, the Board of Directors of the Company proposes to obtain approval of shareholders by way of special resolution as contained in the notice of the Annual General Meeting for an amount not exceeding USD 250000 (Two Lakh Fifty Thousand Only) for Investment in Overseas Subsidiary and Joint Venture of the company and Loans to Overseas Subsidiaries and Joint Venture of Persons i.e 31st Decemberevery year.
- The Chairperson informed that the company may invests its surplus funds time to time for different

purposes within the limit envisaged under section 186 read with rule 11 of companies (Meetings of Board and its Powers) Rules, 2014 of the Companies Act, 2013. The approval of the Shareholder is hereby accorded to Board in accordance with section 179(3) (e) of Companies Act, 2013 for investment of surplus funds upto Rs.700,00,000/- (Rupees Seven Crore Only) at any time during the financial year 2023-24.

None of the Directors, Key Managerial Personnel of the Company or their relatives or any of other officials of the Company as contemplated in the provisions of Section 102 of the Companies Act, 2013 is, in any way, financially or otherwise, concerned or interested in the resolution.

Item No. 11:

Pursuant to the provisions of Section 197 read with Part I and Section I of Part II of Schedule V and other applicable provisions, if any, of the Companies Act, 2013 (including any statutory modification or re-enactment thereof), applicable clauses of the Articles of Association of the Company and recommendation of the Nomination and Remuneration Committee and Audit Committee, increase in remuneration to Mr. Sanjay Jashbhai Patel Din (01958033) Managing Director of the Company is presented for consideration of the members and for approval.

CHAIRMAN'S MESSAGE

It gives me great pleasure to welcome you to the 13th Annual General Meeting of your Company and share with you the progress your Company has made, despite the several challenges posed by the National & global economy.

While the economic climate throughout the industry has remained challenging during the 2 years gone by, the period including the Fiscal Years 2022-23 and 2021-22 was a period of steady revival and consolidation for us. During this period we faced major reforms like demonetization, shifting and setting up our new manufacturing unit, e-Marketplace and implementation of GST. However, learning from every situation and moving forward, we have kept up the developments in our projects and also tried to evolve with the changing market.

Looking Ahead

As we step into new fiscal, with the powerful reforms mentioned above and a diverse customer base across geographies, coupled with the learning's of the last year, I am sure that your Company will continue to consolidate and grow in the years to come. This is very evident from orders bagged from various high value customers and new projects being developed as per market requirements. The Company has taken up several initiatives to embrace growth by aggressive business strategies and newbusiness models.

Concluding Note

I am confident that Tembo Global Industries Ltd, with its committed associates, excellent customers, wide product range and strong and stable management team will continue to deliver significant value to all its stakeholders in the years to come and will achieve every milestone in the journey to success.

I would like to thank all our shareholders, investors, employees, customers and all other stakeholders, who have always stood by us. With our focused business strategy, dynamic management team and a pool of professional talent, we are poised for growth.

I look forward to your continued support in the coming years to take this Company to the next level of growth and a Leader in Electronic Weighing Scales and Systems in India.

Yours Sincerely, Sd/-

Sanjay Patel, Chairman & Managing Director

(f) Sexual Harassment Committee:-

The Sexual Harassment Committee was constituted by our Directors vide resolution dated December 26, 2018 and was re-constituted on 30th January, 2023.

The Composition of the Committee is as under:

Name of the Member	Designation
MRS. SMITA SANJAY PATEL	Chairman
MRS FATEMA S KACHWALA MEMBER	Member
MR. JEHAN DARAYUS VARIAVA	Member

(Change due to appointment of Mrs. Smita Sanjay Patel as on 30th January, 2023)

Term of Reference of the Sexual Harassment Committee of our Company include the formulation, recommending to the Board, a Sexual Harassment policy which shall indicate the activities to be undertaken by our Company to ensure that all employees maintain appropriate standards of business and personal conduct with colleagues, clients and with the public at large.

The Objectives of the Policy

This Policy shall be read in line with the Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013. The policy operates through informal processes normally involving an intermediary means for resolving a problem. In the case of Sexual Harassment, at first instance, the person (i.e. HOD / HR / Woman representative of the location) may be the point of first contact for anyone seeking informal support/intervention to stop unwelcome behavior. A sense of restraint and responsibility on the part of all concerned is critical for the effective functioning of these

guidelines. The preventive / informal process that can be adopted is as follows:

1. Convey to the person who is the cause of distress, about what that person's actions, words, behavior is doing and convey in no uncertain terms that such behavior is not appreciated. What is important is the –Wayll a particular behavior, action or word is perceived; –Intent is of no consequence.

2. The second step would be to approach someone within the company – preferably your Superior or HR Representative. The Superior or HR Representative would then try and counsel / talk it over with a view towards closing the matter amicably.

3. In any case all such incidents along with the resolution, needs to be reported to the Head of HR who will then provide a short report to the Internal Complaints Committee and the matter will be closed.

4. However, in the event of it not being resolved, then it would need to be escalated to the Internal ComplaintsCommittee.

In the event of the complaint, not being resolved through informal mechanism, then it would need to beescalated to the Internal Complaint Committee for redressal.

1. It is the obligation of all employees to report sexual harassment experienced by them personally. A concerned co-worker may also inform the Complaints Committee of any instance or behavior of sexual harassment by a co-worker towards another employee.

2. The concerned employee shall give his complaint in writing to any of the committee member giving details of the incident within a week of its occurrence.

3. Once the complaint is received, it will be kept strictly confidential.

4. The person accused will be informed that a complaint has been filed against him/her and no unfair acts of retaliation or unethical action will be tolerated. The Committee shall ensure that a fair and just investigation is undertaken immediately.

5. Both the complainant and the alleged accused initially will be questioned separately with a view to ascertain the veracity of their contentions. If required, the person who has been named as a witness will need to provide the necessary information to assist in resolving the matter satisfactorily.

6. The Chairperson after studying the report & discussion with the Committee members shall submit her recommendation to the Executive Director within 10 days of completing the inquiry.

7. The complainant and the accused shall be informed of the outcome of the investigation. The investigation shall be completed within 3 months of the receipt of the complaint. If the investigation reveals that the complainant has been sexually harassed as claimed, the accused will be disciplined accordingly. The implementation of the recommendation of Internal Complaint Committee by

Executive Director should be done within 30 days of receipt of such recommendation.

14. VIGIL MECHANISM FOR DIRECTORS AND EMPLOYEES:

Your Company is committed to highest standards of ethical, moral and legal business conduct. 13th Annual General Meeting REPORT ON CORPORATE SOCIAL RESPONSIBILITY

TO THE MEMBERS OF TEMBO GLOBAL INDUSTRIES LIMITED

M/S Tembo Global Industries Limited is committed to conduct business in a socially, economically and environmentally responsible and sustainable manner, which enables the creation and distribution of wealth for the betterment of all its stakeholders, internal as well as external, through the implementation and integration of ethical systems and sustainablemanagement practices. For this M/S Tembo Global Industries Limited had laid a balanced emphasis on all aspects of corporate social responsibility and sustainability with regard to its internal operations, activities and processes, as well as undertake initiatives and projects to facilitate capacity building, empowerment of communities, inclusive socioeconomic growth, environment protection, promotion of green and energy efficient technologies, development of backward regions, and upliftment of the marginalized and underprivileged sections of the society.

The CSR provisions of the Companies Act 2013, Schedule VII, or the CSR rules are inviolable. However, in addition to the CSR provisions of the Act and the CSR rules, DPE has formulated Guidelines on Corporate Social Responsibility and Sustainability which are applicable to CPSEs. Guidelines do not supersede or override any provision of the Act, or Schedule VII of the Companies Act 2013, or the CSR rules, but will supplement them. It is clarified that in case of any perceived conflict between the CSR rules and the Guidelines, the former shall prevail in all circumstances.

The term Sustainability has been used in conjunction with CSR in the title of DPE Guidelines because CSR activities which are envisaged in the Act and in the CSR rules can be supplemented with sustainability initiatives as both aim atachieving sustainable development goals. The CSR Committee so constituted formulated Policy on Corporate Social Responsibility (CSR Policy) and the Board of Directors of the Company ('Board') has approved the same as per recommendation of CSR Committee.

MANAGEMENT DISCUSSION AND ANALYSIS

INTRODUCTION

Strong economic growth in the first quarter of FY23 helped India overcome the UK to become the fifth-largest economy after it recovered from the COVID-19 pandemic shock. Real GDP at constant prices (2011-12) in the first quarter of 2023–24 is estimated at Rs. 40.37 trillion (US\$ 484.94 billion), showing a growth of 7.8% as compared to the first quarter of 2022-23 estimated at Rs. 37.44 trillion (US\$ 449.74 billion). Given the release of pent-up demand and the widespread vaccination coverage, the contact-intensive services sector will probably be the main driver of development in 2022–2023. In 2023-24 (April-September), India's service exports stood at US\$ 164.89 billion. Furthermore, India's overall exports (services and merchandise) in 2023-24 (April-September) were estimated at US\$ 376.29 billion. Rising employment and substantially increasing private consumption, supported by rising consumer sentiment, will support GDP growth in the coming months.

Future capital spending of the government in the economy is expected to be supported by factors such as tax buoyancy, the streamlined tax system with low rates, a thorough assessment and rationalisation of the tariff structure, and the digitization of tax filing. In the medium run, increased capital spending on infrastructure and asset-building projects is set to increase growth multipliers, and with the revival in monsoon and the Kharif sowing, agriculture is also picking up momentum. The contact-based services sector has largely demonstrated promise to boost growth by unleashing the pent-up demand over the period of April-December 2022. The sector's success is being captured by a number of HFIs (High-Frequency Indicators) that are performing well, indicating the beginnings of a comeback.

India has emerged as the fastest-growing major economy in the world and is expected to be one of the top three economic powers in the world over the next 10-15 years, backed by its robust democracy and strong partnerships.

India's appeal as a destination for investments has grown stronger and more sustainable as a result of the current period of global unpredictability and volatility, and the record amounts of money raised by India-focused funds in 2022 are evidence of investor faith in the "Invest in India" narrative.

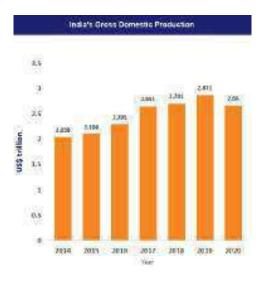

MARKET SIZE

India's nominal gross domestic product (GDP) at current prices is estimated to be at Rs. 301.75 trillion (US\$ 3.62 trillion) in 2023-24. Additionally, the Nominal GDP at current prices in Q1 of 2023-24 was Rs. 70.67 trillion (US\$ 848.92 billion), as against Rs. 65.42 trillion (US\$ 785.85 billion) in 2022-23, estimating a growth of 8%. With 115 unicorns valued at more than US\$ 350 billion, as of February 2023, India presently has the third-largest unicorn base in the world. The government is also focusing on renewable sources by achieving 40% of its energy from non-fossil sources by 2030. India is committed to achieving the country's ambition of Net Zero Emissions by 2070 through a five-pronged strategy, 'Panchamrit'. Moreover, India ranked 3rd in the renewable energy country attractive index.

According to the McKinsey Global Institute, India needs to boost its rate of employment growth and create 90 million non-farm jobs between 2023 to 2030 in order to increase productivity and economic growth. The net employment rate needs to grow by 1.5% per annum from 2023 to 2030 to achieve 8-8.5% GDP growth between same time period. India's current account deficit (CAD) decreases to US\$ 9.2 billion in Q1 of 2023-24 from US\$ 17.9 billion in Q1 of 2022–2023.

Exports fared remarkably well during the pandemic and aided recovery when all other growth engines were losing steam in terms of their contribution to GDP. Going forward, the contribution of merchandise exports may waver as several of India's trade partners witness an economic slowdown. According to Mr. Piyush Goyal, Minister of Commerce and Industry, Consumer Affairs, Food and Public Distribution and Textiles, Indian exports are expected to reach US\$ 1 trillion by 2030.

RECENT DEVELOPMENTS

India is primarily a domestic demand-driven economy, with consumption and investments contributing to 70% of the economic activity. With an improvement in the economic scenario and the Indian economy recovering from the Covid-19 pandemic shock, several investments and developments have been made across various sectors of the economy. According to World Bank, India must continue to prioritise lowering inequality while also putting

growth-oriented policies into place to boost the economy. In view of this, there have been some developments that have taken place in the recent past. Some of them are mentioned below.

- As of August 2023, India's foreign exchange reserves stood at US\$ 594.90 billion.
- In the first half of 2023-24, India saw a total of US\$ 21 billion in PE-VC investments.
- Merchandise exports in September 2023 stood at US\$ 34.47 billion, with total merchandise exports of US\$ 211.40 billion during the period of April-September (2023-24).
- India was also named as the 48th most innovative country among the top 50 countries, securing 40th position out of 132 economies in the Global Innovation Index 2023. India rose from 81st position in 2015 to 40th position in 2023. India ranks 3rd position in the global number of scientific publications.
- PMI Services remained comfortably in the expansionary zone at 62.3 in the month of June 2023.
- In September 2023, the gross Goods and Services Tax (GST) revenue collection stood at Rs.1,62,712 crore (US\$ 19.54 billion), of which CGST is Rs. 29,818 crore (US\$ 3.58 billion), SGST is Rs. 37,657 crore (US\$ 4.52 billion), IGST is Rs. 83,623 crore (US\$ 10.04 billion).
- Between April 2000–June 2023, cumulative FDI equity inflows to India stood at US\$ 937.58 billion.
- In August 2023, the overall IIP (Index of Industrial Production) stood at 145.1. The Indices of Industrial Production for the mining, manufacturing and electricity sectors stood at 111.9, 143.5 and 220.5, respectively, in August 2023.
- According to data released by the Ministry of Statistics & Programme Implementation (MoSPI), India's Consumer Price Index (CPI) based retail inflation reached 5.02% in September 2023.
- Foreign Institutional Investors (FII) inflows between April-July (2023-24) were close to Rs. 80,500 crore (US\$ 9.67 billion), while Domestic Institutional Investors (DII) sold Rs. 4,500 crore (US\$ 540.56 million) in the same period. As per depository data, Foreign Portfolio Investors (FPIs) invested Rs. 22,000 crore (US\$ 2.67 billion) in India during the first week of July 2023.
- The wheat procurement during RMS 2023-24 (till May) was estimated to be 262 lakh metric tonnes (LMT) and the rice procured in KMS 2023-24 was 385 LMT. The combined stock position of wheat and rice in the Central Pool is over 579 LMT (Wheat 312 LMT and Rice 267 LMT).

GOVERNMENT INITIATIVES

Over the years, the Indian government has introduced many initiatives to strengthen the nation's economy. The Indian government has been effective in developing policies and programmes that are not only beneficial for citizens to improve their financial stability but also for the overall growth of the economy. Over recent decades, India's rapid economic growth has led to a substantial increase in its demand for exports. Besides this, a number of the government's flagship programmes, including Make in India, Start-up India, Digital India, the Smart City Mission, and the Atal Mission for Rejuvenation and Urban Transformation, is aimed at creating immense opportunities in India. In this regard, some of the initiatives taken by the government to improve the economic condition of the country are mentioned below:

- On August 6th, 2023, Amrit Bharat Station Scheme was launched to transform and revitalize 1309 railway stations across the nation. This scheme envisages development of stations on a continuous basis with a long-term vision.
- On June 28th, 2023, the Ministry of Environment, Forests, and Climate Change introduced the 'Draft Carbon Credit Trading Scheme, 2023'.
- From April 1st, 2023, Foreign Trade Policy 2023 was unveiled to create an enabling ecosystem to support the philosophy of 'AtmaNirbhar Bharat' and 'Local goes Global'.
- In order to enhance India's manufacturing capabilities by increasing investment and production in the sector, the government of India has introduced the Production Linked Incentive Scheme (PLI) for Pharmaceuticals.
- Prime Minister's Development Initiative for North-East Region (PM-DevINE) was announced in the Union Budget 2022-23 with a financial outlay of Rs. 1,500 crore (US\$ 182.35 million).
- Prime Minister Mr Narendra Modi has inaugurated a new food security scheme for providing free food grains to Antodaya Ann Yojna (AAY) & Primary Household (PHH) beneficiaries, called Pradhan Mantri Garib Kalyan Ann Yojana (PMGKAY) from January 1st, 2023.
- The Amrit Bharat Station scheme for Indian Railways envisages the development of stations on a continuous basis with a long-term vision, formulated on December 29th, 2022 by the Ministry of Railways.
- On October 7th, 2022, the Department for Promotion of Industry and Internal Trade (DPIIT) launched Credit Guarantee Scheme for Start-ups (CGSS) aiming to provide credit guarantees up to a specified limit by start-ups, facilitated by Scheduled Commercial Banks, Non-Banking Financial Companies and Securities and Exchange Board of India (SEBI) registered Alternative Investment Funds (AIFs).
- Telecom Technology Development Fund (TTDF) Scheme was launched in October 2022 by the Universal Service Obligation Fund (USOF), a body under the Department of Telecommunications. The objective is to fund R&D in rural-specific communication technology applications and form synergies among academia, start-ups, research institutes, and the industry to build and develop the telecom ecosystem.
- Home & Cooperation Minister Mr. Amit Shah laid the foundation stone and performed Bhoomi Pujan of Tanot Mandir Complex Project under Border Tourism Development Programme in Jaisalmer in September 2022.
- In August 2022, Mr. Narendra Singh Tomar, Minister of Agriculture and Farmers Welfare inaugurated four new facilities at the Central Arid Zone Research Institute (CAZRI), which has been rendering excellent services for more than 60 years under the Indian Council of Agricultural Research (ICAR).
- In August 2022, a Special Food Processing Fund of Rs. 2,000 crore (US\$ 242.72 million) was set up with National Bank for Agriculture and Rural Development (NABARD) to provide affordable credit for investments in setting up Mega Food Parks (MFP) as well as processing units in the MFPs.
- In July 2022, Deendayal Port Authority (DPA) announced plans to develop two Mega Cargo Handling Terminals on a Build-Operate-Transfer (BOT) basis under Public-Private Partnership (PPP) Mode at an estimated cost of Rs. 5,963 crore (US\$ 747.64 million).
- In July 2022, the Union Cabinet chaired by Prime Minister Mr. Narendra Modi, approved the signing of the Memorandum of Understanding (MoU) between India & Maldives. This MoU will provide a platform to tap the benefits of information technology for court digitization and can be a potential growth area for IT companies and start-ups in both countries.

- India and Namibia entered a Memorandum of Understanding (MoU) on wildlife conservation and sustainable biodiversity utilization on July 20th, 2022, for establishing the cheetah into the historical range in India.

- The Government of India is expected to increase public health spending to 2.5% of the GDP by 2025.

ROAD AHEAD

In the second quarter of FY24, the growth momentum of the first quarter was sustained, and high-frequency indicators (HFIs) performed well in July and August of 2023. India's comparatively strong position in the external sector reflects the country's generally positive outlook for economic growth and rising employment rates. India ranked 5th in foreign direct investment inflows among the developed and developing nations listed for the first quarter of 2022.

India's economic story during the first half of the current financial year highlighted the unwavering support the government gave to its capital expenditure, which, in 2023-24, stood 37.4% higher than the same period last year. In the budget of 2023-24, capital expenditure took lead by steeply increasing the capital expenditure outlay by 37.4% in BE 2023-24 to Rs.10 lakh crore (US\$ 120.12 billion) over Rs. 7.28 lakh crore (US\$ 87.45 billion) in RE 2022-23. The ratio of revenue expenditure to capital outlay increased by 1.2% in the current year, signalling a clear change in favour of higher-quality spending. Stronger revenue generation because of improved tax compliance, increased profitability of the company, and increasing economic activity also contributed to rising capital spending levels.

Since India's resilient growth despite the global pandemic, India's exports climbed at the second-highest rate with a year-over-year (YoY) growth of 8.39% in merchandise exports and a 29.82% growth in service exports till April 2023. With a reduction in port congestion, supply networks are being restored. The CPI-C inflation reduction from June 2022 already reflects the impact. In September 2023 (Provisional), CPI-C inflation was 5.02%, down from 7.01% in June 2022. With a proactive set of administrative actions by the government, flexible monetary policy, and a softening of global commodity prices and supply-chain bottlenecks, inflationary pressures in India look to be on the decline overall.

INDIAN ECONOMY

INTRODUCTION

India, a South Asian nation, is the seventh-largest country by area, the second-most populous country with over 1.43 billion people, and the most populous democracy in the world. India boasts of an immensely rich cultural

heritage, including numerous languages, traditions, and people. The country holds its uniqueness in its diversity and hence has adapted itself to international changes with poise and comfort. While the economy has welcomed international companies to invest in it with open arms since liberalisation in the 1990s, Indians have been prudent and proactive in adopting global approaches and skills. Indian villagers have proudly taken up farming, advanced agriculture and unique handicrafts as their profession on one hand, while the modern industries and professional services sectors are coming up in a big way on the other.

Thus, the country is attracting many global majors for strategic investments owing to the presence of a vast range of industries, investment avenues and a supportive Government. A huge population, mostly comprising the youth, is a strong driver for demand and an ample source of manpower.

INDEPENDENT AUDITOR'S REPORT

THE MEMBERS OF TEMBO GLOBAL INDUSTRIES LIMITED

Report on the Audit of the Standalone financial statements

Opinion

TO

We have audited the accompanying standalone financial statements of **TEMBO GLOBAL INDUSTRIES LIMITED** (formerly known as SAKETH EXIM LIMITED) ("the Company"), which comprise the Standalone Balance Sheet as at 31st March 2023, the Standalone Statement of Profit and Loss (including other Comprehensive Income), the Standalone Statement of Changes in Equity and the Standalone Statement of Cash Flows for the year ended on that date and notes to the standalone financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2023, the profit and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of standalone financial statements in accordance with the Standards on Auditing ("SAs") specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone financial statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the independence requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the standalone financial statements.

Key audit matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

The Company recognises Revenue from the sale of goods ("Revenue") when the Company performs all its agreed obligations to its customers, the amount of revenue can be measured reliably and recovery of the consideration is probable. The timing of such recognition is when the control over the same is transferred to the customer, which is mainly upon delivery. The timing of revenue recognition is relevant to the reported performance of the Company

Information Other than the Standalone financial statements and Auditor's Report Thereon

The Company's Board of Directors are responsible for the preparation of other information. The other information comprises the information included in the Director's Report but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the course of our audit, or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard on the even date.

Responsibility of Management and Board of Directors for the Standalone financial statements The Company's management and Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the company's standalone financial statements process.

Auditor's Responsibilities for the Audit of the standalone financial statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of

assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system, in relation to the standalone financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the Management, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that are of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

- As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the Annexure "A", a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
- 2. As required by section 197(16) of the Act based on our audit, we report that the Company has paid remuneration to its directors during the year in accordance with the provisions of and limits laid down under section 197 read with Schedule V to the Act. The Ministry of Corporate Affairs has not prescribed other details under section 197(16) which are required to be commented upon by us.
- 3. As required by Section 143(3) of the Act, based on our audit we report that:
 - (a) We have sought and obtained all the information and explanations, which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - (c) The Standalone Balance Sheet, the Standalone Statement of Profit and Loss including Other Comprehensive Income, Standalone Statement of change in Equity and the Standalone Statement of Cash Flow dealt with by this Report are in agreement with the relevant books of account.
 - (d) In our opinion, the aforesaid standalone financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act read with the Rule 7 of the Companies (Account) Rules, 2014.
 - (e) On the basis of the written representations received from the directors as on 31stMarch,2023 taken on record by the Board of Directors, none of the director is disqualified from being appointed as a director in terms of Section 164(2) of the Act.
 - (f) With respect to the adequacy of the internal financial controls with reference to standalone financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B". Our report expresses an unmodified opinion on adequacy and operating effectiveness of Company's internal financial controls over financial reporting.
 - (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
 - The company, as detailed in Note 45 of the standalone financial statements, has disclosed the impact of pending litigations on its financial position as at 31st March,2023.
 - The Company did not have any long term contracts including derivative contracts; as such the question of commenting on any material foreseeable losses thereon does not arise.
 - There were no amounts which were required to be transferred to the Investor Education and Protection Funds of the Company for the year ended 31st March, 2023.
 - a) The Management has represented that, to the best of its knowledge and belief no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other persons or entities, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in

any manner whatsoever ("Ultimate Beneficiaries") by or on behalf of the Company or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

b) The Management has represented that, to the best of its knowledge and belief no funds have been received by the Company from any persons or entities, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever ("Ultimate Beneficiaries") by or on behalf of the Funding Parties or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

c) Based on the audit procedures performed that we considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b)of Rule 11(e) mentioned above contain any material mis-statement.

 The Board of Directors have paid dividend for the year ended 31st March, 2022. The dividend declared is in accordance with Section 123 of the Act to the extent it applies to declaration of dividend.

h) Proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 for maintaining books of account using accounting software which has a feature of recording audit trail (edit log) facility is applicable to the Company with effect from 1st April, 2023, and accordingly, reporting under Rule 11(g) of Companies (Audit and Auditors) Rules, 2014 is not applicable for the financial year ended 31st March, 2023.

"Annexure -B" to the Auditors' Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of TEMBO GLOBAL INDUSTRIES LIMITED (formerly known as SAKETH EXIM LIMITED) ("the Company") as of 31st March 2023 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over the standalone Ind AS financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over the standalone Ind AS financial statements reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting with reference to these standalone Ind AS financial statements assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the standalone financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting with reference to these standalone Ind AS financial statements including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting with reference to these standalone Ind AS financial statements to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting with reference to these Standalone Ind AS financial statements and such internal financial controls over financial reporting were operating effectively as at 31st March 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Other Matters

Our aforesaid reports under section 143 (3) (i) of the Act on the adequacy and operating effectiveness of the internal financial controls over the financial reporting in so far as it relates to subsidiary company, which is the Company incorporated in India, is based on the corresponding reports of the auditors of such Company incorporated in India.

(1) General reserve

(1) General reserve Under the erstwhile Indian Companies Act 1956, a general reserve was created through an annual transfer of net income at a specified percentage in accordance with applicable regulations. The purpose of these transfers was to ensure that if a dividend distribution in a given year is more than 10% of the paid-up capital of the Company for that year, then the total dividend distribution is less than the total distributable reserves for that year.

(II) Retained Earnings Retained earnings are the profits that the Company has earned till date, less any transfers to general reserve, dividends or other distributions paid to shareholders. Retained earnings includes re-measurement loss / (gain) on defined benefit plans, net of taxes that will not be reclassified to Statement of Profit and Loss. Retained earnings is a free reserve available to the (III) Securities Premium

Sensitivity Analysis

Particulars		ligation to changes in the weighted principal assumptions by 100 banis Point is: Impact on defined benefit obligation				
	Increase in	Increase in assumptions		assumptions		
	March 31, 2023	March 31, 2022	March 31, 2023	March 31, 2023		
Discount rate		-2,40%		2.53%		
Salary growth rate		2.94%		-2 84%		

The above sensitivity analyses are based on a change in an assumption while helding all other assumptions constant. In practice, this is unlikely to occur, and changes in route of the assumptions may be correlated. When calculating the sensitivity of the defined benefit editation to editation the same method (preservation of the defined benefit editation scattering start and or defined benefit and at the ord of the reporting period) has been applied which has been used for calculating the defined benefit liability recognized in the Balance Sheet.

The methods and types of assumptions used in preparing the sensitivity analysis did not charge compared to the prior period.

(iv) Risk Exposure The Grataity scheme is a final value? Defined Benefit Plan that provides for a lump sum payment made on exit either by way of retirement, death, disability or volumency withdrawart. The bandits are defined on the basis of final valuey and the period of service and paid as image sum at exit. The risks commonly affecting the defined benefit plan are expected to be:

Demographic Risk: This to the risk of variability of poulis due to unsystematic nature of decrements that include methods, withdrawal, disability and extension. The efficient of these decrements on the defined bandfit eddipation is not straight forward and depends upon the combination of adapt increase, discount rate and scaling efficient. It is important net to overstate withdrawals methods in the financial analysis the retrement benefit of a short career employee hytically costs less per year as compared to a long service employee.

Salary Inflation Risk : Higher than expected increases in salary will increase the defined benefit obligation

Interest-Rate Risk: The defined benefit obligation calculated uses a discount rate based on government bonds. If bond yields fall, the defined basefit obligation will lead to instraint.

y) Defined Benefit Listifity and Employer Contributions The company considers that the contribution rates set at the hot valuation data are sufficient to eliminate the deficit over the agreed period and that regular contributions, which are based on service costs, will not increase significantly. The weighted average duration of the defined benefit obligation is 0.00 years The sepected metarity analysis of undiscounted growing is an follow:

(ii) Fair value hierarchy This section explains the judgements and estimates made in determining the fair values of the financial instruments that are (a) recognised and measured at fair value and (b) measured at amortised cost and for which fair values are disclosed in the financial statements. To provide an indication about the reliability of the inputs used in determining fair value, the Company has classified its financial instruments into the three levels prescribed under the accounting standard. An explanation of each level is as follows.

Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices. Level 2: The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entry-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2. Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3.

III) Fair value of financial assets and liabilities measured at amortised cost The carrying amounts of term deposits and interest there on, trade receivables, cash and cash equivalents, other financial assets, borrowings, trade payables and other current financial liabilities are considered to be the same as their fair values due to their short-term nature.

The fair values of security deposits are based on discounted each flows using a risk free rate of interest. They are classified as level 3 fair values in the fair value hierarchy due to the use of unobservable innuit, including own credit risk. Fair value of the security denosit is Rs 894.42 taktos.

FINANCIAL RISK MANAGEMENT

FINANCIAL RISK MANAGEMENT The Company's financial risk management is an integral part of how to plan and execute its business strategies. The risk management policy is approved by the Company's Board. The company's financial liabilities comprise of leans and borrowings, trade and other payables. The main purpose of these financial liabilities is to finance the Company's operations and to provide guarantees to support its operations in selected instances. The Company's principal financial assets include trade and other receivables, and cash and cash equivalents that derive directly from its operations. The company is exposed to market risk, credit risk, liquidity risk etc. The objective of the Company's financial policy are to secure solvency, limit financial risks and optimise the cost of capital. The Company's capital structure is managed using equity and debt ratios as part of the Company's financial planning.

a. Market Risk: Market Risk: Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: Company has designed risk management frame work to control various risks effectively to achieve the business objectives. This includes identification of risk, its assessment, control and monitoring at timely intervals.

The above mentioned risks may affect the Company's income and expenses, or the value of its financial instru nts. The Company's exposure to and management of these risks are

i. Foreign Currency Risk: The company is subject to the risk that changes in foreign currency values impact the company export and import. The company is subject to the risk that change risk arising from various currency exposures, primarily with respect to US Dollar. The company manages currency exposures within prescribed limits, through use of derivative instruments such as Forward contracts etc. Foreign currency transactions are covered with strict limits placed on the amount of uncovered exposure, if any, at any point of time.

iii. Forward foreign exchange contracts/ Options/ Derivatives It is the policy of the Company to enter into forward foreign exchange contracts/Options & Derivatives to cover foreign currency payments in USD. The Company enters into contracts with terms upto 90 days. The Company's philosophy does not permit any speculative calls on the currency. It is driven by conservatism which guides that company follow conventional wisdom by use of Forward contracts in respect of Trade transactions.

The Company will alter its hedge strategy in relation to the prevailing regulatory framework and guidelines that may be issued by RBI, FEDAI or ISDA or other regulatory bodies from time to time. Based on the ouslanding details of import payable and exports receivable (on event basis) the net trade import exposure is arrived at (i.e. Imports - Exports = Net trade exposures).

Forward cover or options covers is obtained from Banks or Merclant House for each of the aggregated exposures and the Trade deat is booked. The forward cover deats are all backed by actual trade underlines and settlement of these contracts on maturity are by actual delivery of the hedged currency for settling the underline hedged trade transaction.

b. Credit Risk Credit risk is the risk that counter party will not meet its obligation leading to a financial loss. The Company is exposed to credit risk arising from its operating activities primarily from trade receivables, financing activities and relating to parking of surplus funds as Deposits with Banks. The Company considers probability of default upon initial recognition of assets and where there has been a significant increase in credit risk and on an ongoing basis throughout the reporting period...

Financial Instruments and Cash Deposit: Credit risk from balances with Banks and Financial Institutions is managed by the Company's finance department. Investments of surplus funds are made only with approved counter parties and within credit limits assigned to each counterparty. The limits are set to minimise the concentration of risks and thereby mitigate financial loss through counterparty's potential failure to make payments.

Trade Receivables The Marketing department has earblished a credit policy under which each new customer is analysed individually for creditworthiness before the Company's standard payment and delivery terms and conditions are offered. The Company's review includes external ratings, if they are available, and in some cases bank references. Sale limits are established for each security depositival-mass received from the customers of financial guarantees provided by the market organizers in the business. Credit risk is managed through ECGC and to the extent of the periodic monitoring of the credit worthiness of customers to whom credit terms in the normal course of business are provided. The allowance for impairment of Trade receivables is created to the extent and as and when required, based on the actual collectability of accounts Receivables. The Company creditates the concentration of risk with respect to trade tredvables as tow, as its customers are located in several turnifications and industries and operate in larsely independent markets. The Company measures the expected credit loss of trade receivables and loans from customers based on historical trend, industry practises and the business environment in which the entity operates. Less rates are based on actual credit loss exposure and past trends.

LIQUIDITY RISK Liquidity risk is the risk that the Company will not be able to meet its financial obligations as they become due. The Company manages liquidity risk by maintaining adequate reserves, banking facilities and reserve borrowing facilities (comprising the undrawn borrowing facilities below), by continuously monitoring forecast and actual cash flows and matching the

e liquidity risk is managed by means of the ultimate parent company's Liquidity and Financial Indebtedness Management Policy, which aims to ensure the availability of sufficient funds to meet the Company's financial commitments with minimal additional cost. One of the main liquidity monitoring measurement instruments is the cash flow projection, as a minimum projection period of 12 menths from the benchmark date.

INDEPENDENT AUDITOR'S REPORT

To The Members of TEMBO GLOBAL INDUSTRIES LIMITED Report on Audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying consolidated financial statements of **TEMBO GLOBAL INDUSTRIES LIMITED(Formerly Known as SAKETH EXIM LIMITED)**(hereinafter referred to as "the Holding Company") and its subsidiaries (Holding Company and its subsidiaries together referred to as "the Group"), which comprise the Consolidated Balance Sheet as at 31stMarch, 2023 the ConsolidatedStatement of Profit and Loss (including Other Comprehensive Income), the ConsolidatedStatement of Changes in Equity and the ConsolidatedStatement of Cash Flows for the year ended on that date, and a summary of the ConsolidatedSignificant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of reports of other auditors on separate financial statements and other financial information of the subsidiary, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015 as amended ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the company as at 31st March, 2023, the consolidated profit and other comprehensive income, consolidated statement changes in equity and its consolidated cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing (SAs)specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the "Auditor's Responsibilities for the Audit of the Consolidated Financial Statements" section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are

relevant to our audit of the consolidated financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the consolidatedfinancial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

The Company recognises Revenue from the sale of goods ("Revenue") when the Company performs all its agreed obligations to its customers, the amount of revenue can be measured reliably and recovery of the consideration is probable. The timing of such recognition is when the control over the same is transferred to the customer, which is mainly upon delivery. The timing of revenue recognition is relevant to the reported performance of the Company

Information Other than the Consolidated financial statements and Auditor's Report Thereon

The Holding Company's management and Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in theHolding Company's Annual Report, but does not include the consolidatedfinancial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained during the course of our audit, or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information we are required to report that fact. We have nothing to report in this regard.

Responsibility of Management and Board of Directors for the Consolidated financial statements

The Holding Company's management and Board of Directors areresponsible for the matters stated in section 134(5) of the Act with respect to the preparation of these consolidated financial statements that give a true and fair view of the consolidatedfinancial position, consolidatedfinancial performance including other comprehensive income, consolidated statement of changes in equity and consolidatedcash flows of the Group in accordance with the Ind AS specified under section 133 of the Act read with Companies (Indian Accounting Standards) Rules, 2015 as amendedand other accounting principles generally accepted in India. The respective Board of Directors of the Companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective management and Board of Directors of the companies included in the Groupare responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group are also responsible for overseeing the company's financial reporting process of the Group.

Auditor's Responsibilities for the Audit of the ConsolidatedFinancial Statements

Our objectivesare to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- * Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- * Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances under section 143(3)(i) of the Act.We are also responsible for expressing our opinion on whether the Holding Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- * Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- * Conclude on the appropriateness of management's use of the going concern basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- * Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- * Obtain sufficient appropriate audit evidence regarding the financial information of such entities or business activities within the Group to

express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of financial information such entities included in the consolidated financial statements of which we are the independent auditors. For the other entities included in the consolidated financial statements, which have been audited by other auditors such other auditors remain responsible for the direction, supervision and performance of the audit carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance of the Holding Companyand such other entity included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have compiled with relevant ethical requirements regarding independence and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence and, where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that are of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when in extremely rare circumstances we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters:

We did not audit the financial results of the Subsidiary Tembo LLC included in the consolidated financial results, whose financial results reflect total assets of Rs. 148.87 lakhs as at March 31, 2023, total revenue of Rs NIL, total net loss after tax of Rs. 64.42 lakhs, total comprehensive Income of Rs. "Annexure – A" TO THE INDEPENDENT AUDITORS' REPORT on Consolidated Financial Statements

Report on the Internal Financial Controls over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of consolidated Ind AS financial statements of the company as of and for the year ended 31st March, 2023, we have audited the internal financial controls over financial reporting of **TEMBO GLOBAL INDUSTRIES LIMITED(Formerly Known as SAKETH EXIM LIMITED)**("the Holding Company") and its subsidiaries (the holding company and its subsidiary together referred to as "the Group") for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors and its subsidiary which are incorporated in India are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by these entities considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting with reference to these consolidated Ind AS financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan

and perform theaudit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting with reference to these consolidated Ind AS financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting with reference to these consolidated Ind AS financial statements and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence obtained by us and other auditors in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the Group's internal financial controls system over financial reporting with reference to these consolidated Ind AS financial statements.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting with reference to these consolidated Ind AS financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting with reference to these consolidated Ind AS financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting with reference to these consolidated financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting with reference to these consolidated financial statementsto future periods are subject to the risk that the internal financial control over these consolidated financial reference to with reporting financial statementsmay become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us and based on the consideration of reports of the other auditors as referred to in the Other Matters paragraph the Holding Company and its Subsidiaries have in all material respects, an adequate internal financial controls system over financial reporting with reference to these consolidated Ind AS financial statements and such internal financial controls over financial reporting with reference to these consolidated Ind AS financial statements and such internal financial controls over financial reporting effectively as at 31 March 2023, based on the internal control over financial reporting criteria established by these entities considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Other Matters

Our aforesaid reports under section 143 (3) (i) of the Act on the adequacy and operating effectiveness of the internal financial controls over the financial reporting in so far as it relates to subsidiary company, which is the Company incorporated in Egypt, is based on the unaudited accounts and representation of the management

(I) General reserve

Under the erstwhile Indian Companies Act 1956, a general reserve was created through an annual transfer of net income at a specified percentage in accordance with applicable regulations. The purpose of these transfers was to ensure that if a dividend distribution in a given year is more than 10% of the paid-up capital of the Company for that year, then the total dividend distribution is less than the total distributable reserves for that year.

(II) Retained Earnings Retained earnings are the profits that the Company has earned till date, less any transfers to general reserve, dividends or other distributions paid to shareholders. Retained earnings includes re-measurement loss / (gain) on defined benefit plans, net of taxes that will not be reclassified to Statement of Profit and Loss. Retained earnings is a free reserve available to the Company.

(III) Securities Premium The amount received in excess of face value of the equity shares is recognised in securities premium. This reserve is utilised in accordance with the specific provisions of the

NOTES TO THE FINANCIAL STATEMENTS AS OF AND FOR THE YEAR ENDED MARCH 31, 2023

Actuarial Assumptions:

Particulars	As at March 31, 2023	As at March 31, 2022
Discount rate	5.15%	5.15%
Salary Growth rate	7.00%	7.00%

The discount rates reflects the prevailing market yields of Indian Government securities as at the Balance Sheet date for the estimated term of the obligations.

The estimates of future salary increases, considered in actuarial valuation, takes into account, inflation, seniority, promotions and other relevant factors, such as demand and supply in the employment market.

The expected rate of return of plan assets is the Company's expectation of the average long term rate of return expected on investments of the fund during the estimated term of the obligations.

Sensitivity Analysis

The sensitivity of the defined benefit obligation to changes in the weighted principal assumptions by 100 basis Point is:

Particulars		Impact on defin	ed benefit obligation	nefit obligation		
	Increase in	Increase in assumptions Decrease in a		Increase in assumptions Decrease in assumptions		n assumptions
	March 31, 2023	March 31, 2022	March 31, 2023	March 31, 2022		
Discount rate		-2.40%		2.53%		
Salary growth rate		2.94%		-2.84%		

The above sensitivity analyses are based on a change in an assumption while holding all other assumptions constant. In practice, this is unlikely to occur, and changes in some of the assumptions may be correlated. When calculating the sensitivity of the defined benefit obligation to significant actuarial assumptions the same method (present value of the defined benefit obligation calculated with the projected unit credit method at the end of the reporting period) has been applied which has been used for calculating the defined benefit liability recognised in the Balance Sheet.

The methods and types of assumptions used in preparing the sensitivity analysis did not change compared to the prior period.

iv) Risk Exposure

The Gratuity scheme is a final salary Defined Benefit Plan that provides for a lump sum payment made on exit either by way of retirement, death, disability or voluntary withdrawal. The benefits are defined on the basis of final salary and the period of service and paid as lump sum at exit. The risks commonly affecting the defined benefit plan are expected to be:

Demographic Risk: This is the risk of variability of results due to unsystematic nature of decrements that include mortality, withdrawal, disability and retirement. The effect of these decrements on the defined benefit obligation is not straight forward and depends upon the combination of salary increase, discount rate and vesting criteria. It is important not to overstate withdrawals because in the financial analysis the retirement benefit of a short career employee typically costs less per year as compared to a long service employee.

Salary Inflation Risk : Higher than expected increases in salary will increase the defined benefit obligation

Interest-Rate Risk: The defined benefit obligation calculated uses a discount rate based on government bonds. If bond yields fall, the defined benefit obligation will tend to increase.

v) Defined Benefit Liability and Employer Contributions

The company considers that the contribution rates set at the last valuation date are sufficient to eliminate the deficit over the agreed period and that regular contributions, which are based on service costs, will not increase significantly.

The weighted average duration of the defined benefit obligation is 0.00 years The expected maturity analysis of undiscounted gratuity is as follows:

(ii) Fair value hierarchy

(b) rain value replans the judgements and estimates made in determining the fair values of the financial instruments that are (a) recognised and measured at fair value and (b) measured at amortised cost and for which fair values are disclosed in the financial statements. To provide an indication about the reliability of the inputs used in determining fair value, the Company has classified its financial instruments into the three levels prescribed under the accounting standard. An explanation of each level is as follows.

Level 1 : Level 1 hierarchy includes financial instruments measured using quoted prices.

Level 2: The fair value of inancial instruments that are not traded in an active market is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3.

iii) Fair value of financial assets and liabilities measured at amortised cost

The carrying amounts of term deposits and interest there on, trade receivables, cash and cash equivalents, other financial assets, borrowings, trade payables and other current financial liabilities are considered to be the same as their fair values due to their short-term nature.

The fair values of security deposits are based on discounted eash flows using a risk free rate of interest. They are classified as level 3 fair values in the fair value hierarchy due to the use of unobservable inputs, including own credit risk. Fair value of the security deposit is Rs.894.42 lakhs.

The Company is exposed to credit risk arising from its operating activities primarily from that receivables, financing activities and relating to parking of surplus finds as Deposities with Banks. The Company considers probability of default upon initial recognition of assets and where there has been a significant increase in credit risk and on an ongoing basis throughout the reporting period...

Financial Instruments and Cash Deposit: Credit risk from balances with Banks and Financial Institutions is managed by the Company's finance department. Investments of surplus funds are made only with approved counter parties and within credit limits assigned to each counterparty. The limits are set to minimise the concentration of risks and thereby mitigate financial loss through counterparty's potential failure to make payments

Trade Receivables

The Marketing department has established a credit policy under which each new customer is analysed individually for creditworthiness before the Company's standard payment and The Marketing department has established a credit policy under which each new customer is analysed individually for creditvorthiness before the Company's standard payment and delivery terms and conditions are offered. The Company's review includes external ratings, if they are available, and in some cases bank references. Sale limits are established for each customer and reviewed periodically. Trade Receivables of the Company are typically unsecured, except export receivable which is covered through ECGC and to the extent of the security deposits/advances received from the customers or financial guarantees provided by the market organizers in the business. Credit risk is managed through credit approvals and periodic monitoring of the credit worthiness of customers to whom credit terms in the normal course of business are provided. The allowance for impairment of Trade receivables is created to the extent at as and when required, based on the actual collectability of accounts Receivables. The Company evaluates the concentration of risk with respect to trade receivables as low, as its customers are located in several jurisdictions and industries and operate in largely independent markets.

The Company measures the expected credit loss of trade receivables and loans from customers based on historical trend, industry practises and the business environment in which the entity operates. Loss rates are based on actual credit loss exposure and past trends.

n) Financial Instruments

Financial assets and financial liabilities are recognised when an entity becomes a party to the contractual provisions of the instrument.

A. Financial assets

a) Recognition and initial measurement

A financial asset is initially recognised at fair value and, for an item not at FVTPL, transaction costs that are directly attributable to its acquisition

b) Classification of financial assets

Financial assets are classified, at initial recognition and subsequently measured at amortised cost, fair value through other comprehensive income

c) Derecognition of financial assets

The Company derecognises a financial asset when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party.

d) Impairment

The Company applies the expected credit loss model for recognising impairment loss on financial assets measured at amortised cost, debt instruments at FVTOCI, lease receivables, trade receivables, other contractual rights to receive cash or other financial asset.

Expected credit losses are the weighted average of credit losses with the respective risks of default occurring as the weights.

B. Financial liabilities and equity instruments

a) Classification as debt or equity

Debt and equity instruments issued by a company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

b) Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by the Company are recognised at the proceeds received, net of direct issue costs.

c) Financial liabilities

Financial liabilities are classified as either financial liabilities 'at FVTPL' or 'other financial liabilities'.

Financial liabilities at FVTPL:

Financial liabilities are classified as at FVTPL when the financial liability is either held for trading or it is designated as at FVTPL. A financial liability is classified as held for trading if:

- It has been incurred principally for the purpose of repurchasing it in the near term; or
- on initial recognition it is part of a portfolio of identified financial instruments that the Company manages together and has a recent actual

• it is a derivative that is not designated and effective as a hedging instrument.

Derecognition of financial liabilities:

NOTES TO THE FINANCIAL STATEMENTS AS OF AND FOR THE YEAR ENDED MARCH 31, 2023

A. Useful lives of property, plant and equipment

Management reviews the useful lives of property, plant and equipment at least once a year. Such lives are dependent upon an assessment of both the technical lives of the assets and also their likely economic lives based on various internal and external factors including relative efficiency and operating costs. This reassessment may result in change in depreciation and amortisation expected in future periods.

B. Contingencies

In the normal course of business, contingent liabilities may arise from litigation and other claims against the Company. Potential liabilities that are possible but not probable of crystalising or are very difficult to quantify reliably are treated as contingent liabilities. Such liabilities are disclosed in the notes but are not recognised. The cases which have been determined as remote by the Company are not disclosed.

Contingent assets are neither recognised nor disclosed in the financial statements unless when an inflow of economic benefits is probable.

C. Taxes

Pursuant to the announcement of the changes in the corporate tax regime, the Companies have an option to either opt for the new tax regime or continue to pay taxes as per the old applicable tax structure together with the other benefits available to the Companies including utilisation of the MAT credit available. This requires significant estimation in determining in which year the company would migrate to the new tax regime basis future year's taxable profits including the impact of ongoing expansion plans of the Company and consequential utilisation of available MAT credit. Accordingly, in accordance with IND AS 12 - Income Taxes, deferred tax assets and liabilities are required to be measured at the tax rates that are expected to apply to the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively appeared at the reporting date.
