Subject: Explanation for Discrepancy – Standalone and Consolidated Financial Results

Dear Sir / Madam,

With reference to your email dated January 12, 2026 regarding the standalone and consolidated financial results of the Company for the quarter ended September 30, 2025, we wish to provide the following clarification:

The Company has one subsidiary, M/s TS Innovations Private Limited. During the quarter ended September 30, 2025, the subsidiary did not carry out any business activities and did not record any income or expenses. Consequently, there is no financial impact arising from the subsidiary for the said period in the consolidated financial statements.

As a result, the standalone financial results of the Company and the consolidated financial results (which include the subsidiary) are identical for the quarter ended September 30, 2025. We trust that the above explanation adequately addresses your query. Kindly let us know if any further clarification is required.

Yours faithfully,

For TERA SOFTWARE LIMITED

CH. MALLIKARJUNA

Company Secretary
