Sub: Intimation under Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015

Dear Sir(s),

We refer SEBI circular no. SEBI/HO/CFD/CMD1/CIR/P/2020/84 dated 20th May, 2020 and earlier intimation vide our letter dated 23rd March, 2020.

The Company has now been operating its offices, sites in a limited phased manner in accordance with the restrictive guidelines prescribed by the Govt. of India / Govt. of West Bengal / Local authorities ensuring all prescribed health & safety measures thereto. While the Company was limping back to work, stalled since outbreak of COVID-19, it faced another serious challenge in the form of super cyclone 'Amphan', causing widespread damage of lives & properties in Kolkata and other parts of West Bengal. The Company therefore, is carrying out the assessment of the impact resulting from the above and the final assessment would only be feasible post normalcy in operation is restored.

Given the dynamic nature of the pandemic situation, the assessment of the impact, if any, at this stage is uncertain and may be affected by further severity and duration of the pandemic. However, the Company is confident to overcome the situation and gradually restoring the operations efficiently.

We will keep you informed about further developments and impact, if any.

Thanking you,

Yours faithfully,
For Texmaco Infrastructure & Holdings Limited
