Press Release

Tech Mahindra & IITC successfully implement ORACLE ERP at SSDS, Oman

The system integrates all business operations into a single system meeting specific requirements and provides the advantage of quicker response times and better services.

Muscat, March 24, 2015 – Tech Mahindra Ltd. a specialist in digital transformation, consulting and business re-engineering, along with the IITC (OHI Group Company), has announced the Oracle ERP Go-Live implementation at the Salalah Sanitary Drainage Services (SSDS), Salalah – Oman. This digitization of operations helped SSDS improve its asset utilization by 200% and asset maintenance schedule and planning by 200%.

The project launch at the SSDS's facility was by far the most significant collaboration between the two companies. The system integrated all the client's business operations into a single system meeting specific requirements and providing them the advantage of quicker response time and better services.

Tech Mahindra's 16 years of expertise in providing practical business and technology solutions helped SSDS implement 18 Oracle Modules for automating 100+ processes resulting in 300% improvement in transaction time.

*"IITC- Tech Mahindra has provided integrated systems that will help us automate business processes. It will further help management of operational processing which will provide a very strong enterprise resource planning to an Asset Intensive organization," said **Mr. Ghali Ahmed Al Mashali, CEO at SSDS.***

*"We are happy to be a partner on this transformational journey with SSDS, in Sallhala-Oman and achieving this success. With heavy focus on Energy and Utility sector, we endeavor to being a formidable value adding service provider in the Oman and Middle East Market," said **Mr. Ram Ramachandran, Head of Middle East, Africa and Turkey, Tech Mahindra***

Tech Mahindra has 7000+ Oracle associates & 18 years of experience in delivering Oracle based solutions across various verticals and geographies with 45+ Country specific localizations. Tech Mahindra is a Global Platinum Partner of Oracle with 24 specializations and 10 Advanced Specializations.

Tech Mahindra began its Middle East operations in 1998. We currently have over 550+ professionals serving marquee clients. Tech Mahindra has executed more than 200 Oracle engagements in Middle East with in-depth knowledge of Middle East organizational culture and technology background.
