Dear Sir,

Subject: Clarification Sought to your mail dated 20th April, 2020

This is with reference to your mail dated 20th April, 2020 regarding clarification sought on significant movement in the price of our security across Exchanges.

In this connection, please note that there has been volatility in the market since last few weeks, there was considerable movement of Indices and similar proportionate movement was also there in NIFTY. The turnover on NSE Exchange from 13th April, 2020 to 17th April, 2020 was only 19,216 equity shares of Rs. 10 each fully paid which constitutes 0.04 % of the total issued equity capital of the Company. The price movement in the Company's equity shares on the exchange was totally driven by market volatility. The Company has not done any exceptional activity which moved the price of the equity shares on these trading days.

There was no latest relevant information about the Company which remained to be informed to the public investors by the Company.

Further please note that none of the promoters, promoters group and/or their respective relatives has traded in the equity shares of the Company on any trading day since last minimum four years. We hope that the above information will suffice with your requirements.

Kindly take the above on record and acknowledge the receipt.

Thanking you,

Yours faithfully,

For The Investment Trust of India Limited
(formerly known as Fortune Financial
Services (India) Limited)
