Sub : Power Division receives an Order

Re: Information in terms of Clause 36 of the Listing Agreement

Dear Sir,

We wish to inform you that the Company's Power Division has received an Order valued at Rs. 403 crore from India's largest producer of viscose staple fibre for system design, manufacture and supply of 3 x 32 MW co-generation plant.

A press release on this order is attached for your reference and record.

Thanking you,

Yours faithfully,
FOR THERMAX LIMITED,

Sunil Lalai
Company Secretary

Press Release

Thermax wins Rs. 403 crore order for captive power plant

Pune: May 09, 2011

Thermax Limited, the Pune-based energy and environment solutions provider, has received a Rs. 403 crore order from India's largest producer of viscose staple fibre to construct and commission a turnkey captive power plant in western India.

Thermax will supply four multi fuel, 175 TPH Capacity CFBC (circulating fluidised bed combustion) boilers for the 3 x 32 MW co-generation plant. Scope of work for Thermax includes entire engineering, procurement, construction of the power plant, including civil works, piping and miscellaneous balance of plant on a turnkey basis.

This order is the latest among several projects commissioned by Thermax across the country.

About Thermax Limited

Thermax Limited, a Rs. 4900 crore, leading energy and environment solutions provider, is one of the few companies in the world that offers integrated innovative solutions in the areas of heating, cooling, captive power, water & waste management, air pollution control and chemicals. The sustainable solutions Thermax develops for client companies are environment-friendly and enable efficient deployment of energy and water resources.
