## **Sterling Avante Mohali Opens in Punjab’s High-Energy Tricity Corridor**

- A contemporary hotel in Mohali built for business stays, meetings, and milestone celebrations—with seamless access to Chandigarh and onward Himachal circuits

**February 17, 2026, Chennai:** Sterling Holiday Resorts announced the launch of **Sterling Avante Mohali**, expanding Sterling’s presence in North India with a hotel format designed for corporate travel, conferences, and celebration-led stays.

Set in TDI City, Sector 117, **Sterling Avante Mohali, Chandigarh** draws from Mohali’s distinctive momentum—ambitious, forward-moving, and rooted in the everyday optimism of “chardi kala.” It’s a city where weekdays are driven by work and weekends by togetherness, and the hotel is built to serve both with equal ease: productive stays, hosted meetings, and weddings and social gatherings that demand dependable delivery.

Mohali’s rise as a key node in the Chandigarh Tricity—supported by growing enterprise activity and strong road-air connectivity—has made it a natural hub for business travel and event demand. **Sterling Avante Mohali** is positioned to meet that need with contemporary rooms and suites, reliable service standards, and an events-ready infrastructure that can scale from boardroom discussions to family celebrations.

Dining anchors the guest experience. Essence, the all-day restaurant, offers a versatile setting for business meals, hosted dinners, and celebratory gatherings, with a menu that blends Indian favourites with regional touches and global staples.

For events and meetings, the hotel is led by the **Crystal Banquet Hall**, designed to transition smoothly across corporate conferences, launches, weddings, and social functions—supported by Sterling’s operations and culinary teams.

Speaking on the launch, **Vikram Lalvani, Managing Director & CEO, Sterling Holiday Resorts, said:** *“Mohali is one of India’s most exciting new-age cities—commercially vibrant, well connected, and increasingly important for business travel and large celebrations. Sterling Avante Mohali is built for this rhythm: efficient stays, high-quality meeting spaces, and event delivery you can count on. As we grow, we are sharpening our presence in destinations that combine strong travel demand with year-round relevance—and Mohali fits that perfectly.”*

*“Mohali is emerging as a natural extension of the Chandigarh Tricity’s business and events ecosystem, and we were clear that this opportunity required a partner with strong operating depth and a proven understanding of both business and leisure destinations. Sterling’s nationwide network and ability to seamlessly connect corporate travel with leisure circuits made them the right choice for us. With Sterling Avante Mohali, we are confident of delivering a hotel that meets the evolving needs of business travellers, event organisers and families, while benefiting from the strength and reliability of a trusted hospitality brand.”* **Says Mr.**

**Maninder Singh Marwah, Director, Shining Star Hospitality**

The hotel offers convenient access to **Chandigarh International Airport and Chandigarh Railway Station** and also serves as a practical base for travellers extending their journey into leisure destinations beyond the city.

With this launch, Sterling continues to build a balanced portfolio across resorts, leisure hubs, spiritual destinations and business-forward hotels—anchored in strong locations, reliable operations, and experiences built around food, gatherings, and authentic hospitality.
