The award, presented by Ms. Mankiran Chowhan, Managing Director, SAP Concur, recognised the exemplary achievements of Thomas Cook India in pushing the boundaries of business travel, expense, and invoice solutions, to make a meaningful impact on employees and their businesses – locally and globally.

For today's always on-the-go business traveller, automated solutions are a critical need. Thomas Cook India has, hence, stepped in by playing a vital role as a dynamic change agent to successfully transform business travel – optimising costs and implementing technology enhancements which deliver superior customer experiences.

The company's technology-driven culture has seen the delivery of two vibrant innovations that work seamlessly across digital devices, to empower business travellers:
