Tiger Logistics Receives Reaffirmation of Credit Ratings from Infomerics

Strong revenue growth, an expanding customer base and diversified business operations reinforce the company's long-term growth strategy

New Delhi, India – November 2, 2026: Tiger Logistics (India) Limited, a leading international logistics solutions provider, has received a reaffirmation of its credit ratings from Infomerics Valuation and Rating Limited. The company's long-term rating has been reaffirmed at IVR A-/Negative, while its short-term rating remains at IVR A2+.

The rating assessment recognises Tiger Logistics' established track record in international freight forwarding and customs clearance, its experienced management, diversified customer base and asset-light operating model. The reaffirmation reflects the company's established position in the logistics sector and its continued focus on expanding its operational scale and service capabilities.

Mr. Harpreet Singh Malhotra, CMD, Tiger Logistics (India) Limited, said, *"The rating reaffirmation stands as a testament to the strength of our business fundamentals and the resilience we have built through diversification and disciplined execution. Our continued expansion across industries, service verticals and customer segments, coupled with the sustained growth recorded reflects the momentum of our strategy. This stability ensures we are positioned efficiently to execute our next phase of growth."*

In Q2 FY2026–27, Tiger Logistics recorded quarter-on-quarter revenue growth of 47.6%, with revenue reaching ₹225.14 crore, accompanied by a significant improvement in profitability. EBITDA increased 2.3 times and PAT rose 2.7 times compared with the preceding quarter, reflecting improved financial performance during the period.

For H1 FY2026–27, the company recorded a revenue of ₹377.66 crore.

Operational performance was supported by a 12.7% increase in container volumes to 46,880 TEUs, alongside an improvement of approximately 48% in average realisation compared to H1 FY2025–26.

About Tiger Logistics (India) Limited (BSE: 536264/NSE: TIGERLOGS):

Tiger Logistics (India) Limited is a publicly listed company providing international logistics solutions, including freight forwarding (air and ocean), customs clearance, transportation, project logistics, and other ancillary services. With a strong global network and presence across key trade corridors, Tiger Logistics brings over 26 years of experience across industries such as automotive, renewable energy, capital goods, yarn and textiles, chemicals, pharmaceuticals, commodities, and FMCG, among others.

Tiger Logistics was founded in 2000 in response to the need for a reliable and high-principled player in the Indian logistics sector, with the vision of becoming a one-stop solution for international logistics. With cost innovation and personalized service at its core, Tiger Logistics acts as a logistics partner rather than just a vendor, delivering tailored solutions for manufacturers, exporters, and importers.
