**Commenting on the results, Mr. Harpreet Singh Malhotra, Chairman & MD of Tiger Logistics (India) Limited, said,**

*"Our performance in Q2 and H1 FY27 reflects the progress we are making towards our strategic objective of scaling our business verticals and building a more diversified, resilient and growth-oriented international logistics company. Our focus has been on pursuing reliable growth by strengthening our presence across industries, deepening customer relationships and expanding our capabilities in high-potential segments. From automotive, renewable energy, electronics and engineering goods of PSUs, we are deepening our engagement across manufacturing, engineering and other industrial sectors, we are steadily broadening our business base and creating multiple avenues for growth.*

*This approach is reflected in our performance, with H1 FY27 revenue growing 39.2% YoY to ₹378 crore, alongside a 12.7% increase in TEU volumes and a 2.1x rise in air cargo volumes. Our focus remains on building scale while strengthening operational efficiency and improving profitability. As global trade continues to evolve amid geopolitical developments and shifting trade routes, our diversified industry exposure and ability to adapt to changing customer requirements remain important strengths. Going forward, we will continue to invest in scaling our core and emerging verticals, expanding our industry reach and delivering integrated logistics solutions that deepen customer partnerships and support sustainable long-term growth."*

**About Tiger Logistics (India) Limited (BSE:536264):**

Tiger Logistics (India) Limited is a publicly listed company providing international logistics solutions, including freight forwarding (air and ocean), customs clearance, transportation, project logistics, and other ancillary services. With a strong presence across the country, Tiger Logistics brings 26+ years of experience across industries such as automotive, renewable energy, capital goods, yarn and textiles, chemicals, pharmaceuticals, commodities, and FMCG, among others.

Tiger Logistics was founded in 2000 in response to the need for a reliable and high-principled player in the Indian logistics sector, with the vision of becoming a one-stop solution for international logistics. With cost innovation and personalized service at its core, Tiger acts as a logistics partner rather than just a vendor, delivering tailored solutions for manufacturers, exporters, and importers.
