13. RECORD DATE AND SHAREHOLDER ENTITLEMENT

13.1 As required under the Buyback Regulations, the Company has fixed August 27, 2024 as the Record Date for the purpose of determining the entitlement and the names of the Eligible Shareholders, who will be eligible to participate in the Buyback.

13.2 In due course, Eligible Shareholders will receive a Letter of Offer in relation to the Buyback ("Letter of Offer" or "LOF") along with a tender offer form indicating the entitlement of the Eligible Shareholders for participating in the Buyback. Even if the Eligible Shareholder does not receive the Letter of Offer along with a tender form, the Eligible Shareholder may participate and tender shares in the Buyback.

13.3 The Equity Shares proposed to be brought back by the Company, as a part of Buyback is divided into two categories (a) reserved category for small shareholders; and (b) general category for all other Eligible Shareholders.

13.4 As defined in Regulation 2(1)(n) of the Buyback Regulations, a "small shareholder" is a shareholder of the Company who holds Equity Shares whose market value, on the basis of the closing price of the Equity Shares on the Stock Exchanges having the highest trading volume as on the Record Date, is not more than INR 2,00,000/- (Indian Rupees two lakh only).

13.5 In accordance with Regulation 6 of the Buyback Regulations, 15% of the number of Equity Shares which the Company proposes to buy back or the number of Equity Shares entitled as per the shareholding of Small Shareholders as on the Record Date, whichever is higher, shall be reserved for the Small Shareholders as part of this Buyback.

13.6 Based on the shareholding as on the Record Date, the Company will determine the entitlement of each Eligible Shareholder to tender their Equity Shares in the Buyback. This entitlement for each Eligible

Shareholder will be calculated based on the number of Equity Shares held by the respective Eligible Shareholder as on the Record Date and the ratio of Buyback applicable in the category to which such Eligible Shareholder belongs. The final number of Equity Shares the Company will purchase from each Eligible Shareholders will be based on the total number of Equity Shares tendered. Accordingly, in the event of the overall response to the Tender Offer being in excess of the Buyback Offer Size, the Company may not purchase all the Equity Shares tendered by the Eligible Shareholders, over and above their entitlement.

13.7 In accordance with Regulation 9(x) of the Buyback Regulations, in order to ensure that the same Eligible Shareholder with multiple demat accounts/ folios do not receive a higher entitlement under the small shareholder category, the Company proposes to club together the Equity Shares held by such Eligible Shareholders with a common permanent account number ("PAN") for determining the category (small shareholder or general) and entitlement under Buyback. In case of joint shareholding, the Company will club together the Equity Shares held in cases where the sequence of PANs of the joint shareholders is identical. In case of Eligible Shareholders holding Equity Shares in physical form, where the sequence of PANs is identical or where the PAN of all joint shareholders are not available, the Company will check the sequence of the names of the joint holders and club together the Equity Shares held in such cases where the sequence of the PANs and the names of joint shareholders are identical. The shareholding of institutional investors like mutual funds, pension funds/ trusts, insurance companies etc. with common PAN will not be clubbed together for determining the category and will be considered separately, where these Equity Shares are held for different schemes and have a different demat account nomenclature based on information prepared by the registrar and transfer agent as per the shareholder records received from the depositories.

13.8 After accepting the Equity Shares tendered on the basis of entitlement, the Equity Shares left to be bought back, if any, in one category shall first be accepted, in proportion to the Equity Shares tendered over and above their entitlement in the offer by Eligible Shareholders in that category, and thereafter from Eligible Shareholders who have tendered over and above their entitlement in the other category.

13.9 The participation of Eligible Shareholders in the Buyback is voluntary. Eligible Shareholders holding Equity Shares of the Company can choose to participate and get cash in lieu of shares to be accepted under the Buyback or they may choose not to participate. Eligible Shareholders holding Equity Shares of the Company may also accept a part of their entitlement. Eligible Shareholders holding Equity Shares also have the option of tendering additional shares (over and above their entitlement) and participate in the shortfall created due to non-participation of some other shareholders, if any. Further, the Equity Shares held under the category of "clearing members" or "corporate body margin account" or "corporate body - broker" as per the beneficial position data as on Record Date with common PAN are not proposed to be clubbed together for determining their entitlement and will be considered separately, where these Equity Shares are assumed to be held on behalf of clients.

13.10 The maximum number of Equity Shares that can be tendered under the Buyback by any Eligible Shareholder cannot exceed the number of Equity Shares held by the Eligible Shareholder as on the Record Date. In case the Eligible Shareholder holds Equity Shares through multiple demat accounts, the tender through a demat account cannot exceed the number of Equity Shares held in that demat account.

13.11 The Equity Shares tendered as per the entitlement by Eligible Shareholders holding Equity Shares of the Company as well as additional shares tendered, if any, will be accepted as per the procedure laid down in the Buyback Regulations. If the Buyback entitlement for any shareholder is not a round number, then the fractional entitlement shall be ignored for computation of Buyback entitlement to tender Equity Shares in the Buyback. The settlement under the Buyback will be done using the mechanism notified under the SEBI Circulars.

13.12 Detailed instructions for participation in the Buyback (tender of Equity Shares in the Buyback) as well as the relevant timetable will be included in the Letter of Offer to be sent to the Eligible Shareholder(s).

14. PROCESS AND METHODOLOGY TO BE ADOPTED FOR THE BUYBACK

- f) In case any Eligible Shareholder has submitted Equity Shares in physical form for dematerialization, such Eligible Shareholders should ensure that the process of getting the Equity Shares dematerialized is completed well in time so that they can participate in the Buyback before the closure of the tendering period of the Buyback.
- g) SEBI vide its Circular No. SEBI/HO/MIRSD/MIRSD_RTAMB/P/CIR/2022/8 dated January 25, 2022, mandated all listed companies to issue the securities in dematerialized form only while processing the service request of issue, inter alia, relating to the sub-division or splitting of share certificate. In view of the same, the Company shall issue a letter of confirmation ("LOC") in lieu of any excess physical Equity Shares pursuant to proportionate acceptance/rejection and the LOC shall be dispatched to the address registered with the Registrar. The Registrar shall retain the original share certificate and deface the certificate with a stamp "Letter of Confirmation Issued" on the face / reverse of the certificate to the extent of the excess physical shares. In case the Equity Shareholder fails to submit the demat request within the aforesaid period, the Registrar shall credit the Equity Shares to a separate demat account of the Company opened for the said purpose.

 - ii. The Company will pay the consideration to the Company's Broker who will transfer the funds pertaining to the Buyback to the Clearing Corporation's bank accounts as per the prescribed schedule. For Equity Shares accepted under the Buyback, the Clearing Corporation will make direct funds payout to respective Eligible Shareholders. If the Eligible Shareholders' bank account details are not available or if the funds transfer instruction is rejected by RBI/bank, due to any reason, then such funds will be transferred to the concerned Seller Member's settlement bank account for onward transfer to such Eligible Shareholders.

- iii. For the Eligible Shareholders holding Equity Shares in physical form, the funds pay-out would be given to their respective Selling Member's settlement accounts for releasing the same to the respective Eligible Shareholder's account.
- iv. In case of certain client types viz. NRI, foreign clients etc. (where there are specific RBI and other regulatory requirements pertaining to funds pay-out) who do not opt to settle through custodians, the funds pay-out would be given to their respective Selling Member's settlement accounts for releasing the same to the respective Eligible Shareholder's account. For this purpose, the client type details would be collected from the depositories, whereas funds payout pertaining to the bids settled through custodians will be transferred to the settlement bank account of the custodian, each in accordance with the applicable mechanism prescribed by NSE and the Clearing Corporation from time to time.
- v. The Eligible Shareholders of the Demat Shares will have to ensure that they keep the depository participant ("DP") account active and unblocked.
- vi. Details in respect of shareholder's entitlement for tender offer process will be provided to the Clearing Corporation by the Company or Registrar to the Buyback. On receipt of the same, Clearing Corporation will cancel the excess or unaccepted blocked shares in the demat account of the shareholder. On settlement date, all blocked shares mentioned in the accepted bid will be transferred to the Clearing Corporation.
- vii. In the case of inter depository, Clearing Corporation will cancel the excess or unaccepted shares in target depository. Source depository will not be able to release the lien without a release of IDT message from target depository. Post receiving the IDT message from target depository, source depository will cancel/release excess or unaccepted block shares in the demat account of the shareholder. Post completion of tendering period and receiving the requisite details viz., demat account details and accepted bid quantity, source depository shall debit the securities as per the communication/message received from target depository to the extent of accepted bid shares from shareholder's demat account and credit it to Clearing Corporation settlement account in target depository on settlement date.

The Buyback consideration received by the Eligible Shareholders in respect of accepted Equity Shares could be net of such costs, applicable taxes, charges and expenses (including brokerage) and the Manager to the Buyback and Company accepts no responsibility to bear or pay such additional cost, charges and expenses (including brokerage) incurred solely by the Eligible Shareholders.
- x. The Seller Member(s) would issue contract note and pay the consideration for the Equity Shares accepted under the Buyback. The Company's Broker would also issue a contract note to the Company for the Equity Shares accepted under the Buyback.

13. RECORD DATE AND SHAREHOLDER ENTITLEMENT

- As required under the Buyback Regulations, the Company has fixed August 27, 2024 as the Record Date for the purpose of determining the entitlement and the names of the Eligible Shareholders, who will be eligible to participate in the Buyback.
- In due course, Eligible Shareholders will receive a Letter of Offer in relation to the Buyback ("Letter of Offer" or "LOF") along with a tender offer form indicating the entitlement of the Eligible Shareholders for participating in the Buyback. Even if the Eligible Shareholder does not receive the Letter of Offer along with a tender form, the Eligible Shareholder may participate and tender shares in the Buyback.
- The Equity Shares proposed to be bought back by the Company, as a part of Buyback is divided into two categories (a) reserved category for small shareholders; and (b) general category for all other Eligible Shareholders.
- As defined in Regulation 2(1)(n) of the Buyback Regulations, a "small shareholder" is a shareholder of the Company who holds Equity Shares whose market value, on the basis of the closing price of the Equity Shares on the Stock Exchanges having the highest trading volume as on the Record Date, is not more than INR 2,00,000/- (Indian Rupees two lakh only).
- In accordance with Regulation 6 of the Buyback Regulations, 15% of the number of Equity Shares which the Company proposes to buy back or the number of Equity Shares entitled as per the shareholding of Small Shareholders as on the Record Date, whichever is higher, shall be reserved for the Small Shareholders as part of this Buyback.
- Based on the shareholding as on the Record Date, the Company will determine the entitlement of each Eligible Shareholder to tender their Equity Shares in the Buyback. This entitlement for each Eligible

Shareholder will be calculated based on the number of Equity Shares held by the respective Eligible Shareholder as on the Record Date and the ratio of Buyback applicable in the category to which such Eligible Shareholder belongs. The final number of Equity Shares the Company will purchase from each Eligible Shareholders will be based on the total number of Equity Shares tendered. Accordingly, in the event of the overall response to the Tender Offer being in excess of the Buyback Offer Size, the Company may not purchase all the Equity Shares tendered by the Eligible Shareholders, over and above their entitlement.

13.7 In accordance with Regulation 9(x) of the Buyback Regulations, in order to ensure that the same Eligible Shareholder with multiple demat accounts/ folios do not receive a higher entitlement under the small shareholder category, the Company proposes to club together the Equity Shares held by such Eligible Shareholders with a common permanent account number ("PAN") for determining the category (small shareholder or general) and entitlement under Buyback. In case of joint shareholding, the Company will club together the Equity Shares held in cases where the sequence of PANs of the joint shareholders is identical. In case of Eligible Shareholders holding Equity Shares in physical form, where the sequence of PANs is identical or where the PAN of all joint shareholders are not available, the Company will check the sequence of the names of the joint holders and club together the Equity Shares held in such cases where the sequence of the PANs and the names of joint shareholders are identical. The shareholding of institutional investors like mutual funds, pension funds/ trusts, insurance companies etc. with common PAN will not be clubbed together for determining the category and will be considered separately, where these Equity Shares are held for different schemes and have a different demat account nomenclature based on information prepared by the registrar and transfer agent as per the shareholder records received from the depositories.

13.8 After accepting the Equity Shares tendered on the basis of entitlement, the Equity Shares left to be bought back, if any, in one category shall first be accepted, in proportion to the Equity Shares tendered over and above their entitlement in the offer by Eligible Shareholders in that category, and thereafter from Eligible Shareholders who have tendered over and above their entitlement in the other category.

13.9 The participation of Eligible Shareholders in the Buyback is voluntary. Eligible Shareholders holding Equity Shares of the Company can choose to participate and get cash in lieu of shares to be accepted under the Buyback or they may choose not to participate. Eligible Shareholders holding Equity Shares of the Company may also accept a part of their entitlement. Eligible Shareholders holding Equity Shares also have the option of tendering additional shares (over and above their entitlement) and participate in the shortfall created due to non-participation of some other shareholders, if any. Further, the Equity Shares held under the category of "clearing members" or "corporate body margin account" or "corporate body - broker" as per the beneficial position data as on Record Date with common PAN are not proposed to be clubbed together for determining their entitlement and will be considered separately, where these Equity Shares are assumed to be held on behalf of clients.

13. RECORD DATE AND SHAREHOLDER ENTITLEMENT

- As required under the Buyback Regulations, the Company has fixed August 27, 2024 as the **Record Date** for the purpose of determining the entitlement and the names of the Eligible Shareholders, who will be eligible to participate in the Buyback.
- In due course, Eligible Shareholders will receive a Letter of Offer in relation to the Buyback ("Letter of Offer" or "LOF") along with a tender offer form indicating the entitlement of the Eligible Shareholders for participating in the Buyback. Even if the Eligible Shareholder does not receive the Letter of Offer along with a tender form, the Eligible Shareholder may participate and tender shares in the Buyback.
- The Equity Shares proposed to be brought back by the Company, as a part of Buyback is divided into two categories (a) reserved category for small shareholders; and (b) general category for all other Eligible Shareholders.
- As defined in Regulation 2(1)(n) of the Buyback Regulations, a "small shareholder" is a shareholder of the Company who holds Equity Shares whose market value, on the basis of the closing price of the Equity Shares on the Stock Exchanges having the highest trading volume as on the Record Date, is not more than INR 2,00,000/- (Indian Rupees two lakh only).
- In accordance with Regulation 6 of the Buyback Regulations, 15% of the number of Equity Shares which the Company proposes to buy back or the number of Equity Shares entitled as per the shareholding of Small Shareholders as on the Record Date, whichever is higher, shall be reserved for the Small Shareholders as part of this Buyback.
- Based on the shareholding as on the Record Date, the Company will determine the entitlement of each Eligible Shareholder to tender their Equity Shares in the Buyback. This entitlement for each Eligible

Shareholder will be calculated based on the number of Equity Shares held by the respective Eligible Shareholder as on the Record Date and the ratio of Buyback applicable in the category to which such Eligible Shareholder belongs. The final number of Equity Shares the Company will purchase from each Eligible Shareholders will be based on the total number of Equity Shares tendered. Accordingly, in the event of the overall response to the Tender Offer being in excess of the Buyback Offer Size, the Company may not purchase all the Equity Shares tendered by the Eligible Shareholders, over and above their entitlement.

In accordance with Regulation 9(x) of the Buyback Regulations, in order to ensure that the same Eligible Shareholder with multiple demat accounts/ folios do not receive a higher entitlement under the small shareholder category, the Company proposes to club together the Equity Shares held by such Eligible Shareholders with a common permanent account number ("PAN") for determining the category (small shareholder or general) and entitlement under Buyback. In case of joint shareholding, the Company will club together the Equity Shares held in cases where the sequence of PANs of the joint shareholders is identical. In case of Eligible Shareholders holding Equity Shares in physical form, where the sequence of PANs is identical or where the PAN of all joint shareholders are not available, the Company will check the sequence of the names of the joint holders and club together the Equity Shares held in such cases where the sequence of the PANs and the names of joint shareholders are identical. The shareholding of institutional investors like mutual funds, pension funds/ trusts, insurance companies etc. with common PAN will not be clubbed together for determining the category and will be considered separately, where these Equity Shares are held for different schemes and have a different demat account nomenclature based on information prepared by the registrar and transfer agent as per the shareholder records received from the depositories.

After accepting the Equity Shares tendered on the basis of entitlement, the Equity Shares left to be bought back, if any, in one category shall first be accepted, in proportion to the Equity Shares tendered over and above their entitlement in the offer by Eligible Shareholders in that category, and thereafter from Eligible Shareholders who have tendered over and above their entitlement in the other category.

The participation of Eligible Shareholders in the Buyback is voluntary. Eligible Shareholders holding Equity Shares of the Company can choose to participate and get cash in lieu of shares to be accepted under the Buyback or they may choose not to participate. Eligible Shareholders holding Equity Shares of the Company may also accept a part of their entitlement. Eligible Shareholders holding Equity Shares also have the option of tendering additional shares (over and above their entitlement) and participate in the shortfall created due to non-participation of some other shareholders, if any. Further, the Equity Shares held under the category of "clearing members" or "corporate body margin account" or "corporate body - broker" as per the beneficial position data as on Record Date with common PAN are not proposed to be clubbed together for determining their entitlement and will be considered separately, where these Equity Shares are assumed to be held on behalf of clients.

The maximum number of Equity Shares that can be tendered under the Buyback by any Eligible Shareholder cannot exceed the number of Equity Shares held by the Eligible Shareholder as on the Record Date. In case the Eligible Shareholder holds Equity Shares through multiple demat accounts, the tender through a demat account cannot exceed the number of Equity Shares held in that demat account.

The Equity Shares tendered as per the entitlement by Eligible Shareholders holding Equity Shares of the Company as well as additional shares tendered, if any, will be accepted as per the procedure laid down in the Buyback Regulations. If the Buyback entitlement for any shareholder is not a round number, then the fractional entitlement shall be ignored for computation of Buyback entitlement to tender Equity Shares in the Buyback. The settlement under the Buyback will be done using the mechanism notified under the SEBI Circulars.

Detailed instructions for participation in the Buyback (tender of Equity Shares in the Buyback) as well as the relevant timetable will be included in the Letter of Offer to be sent to the Eligible Shareholder(s).
