Subject: Clarification on Outcome of Board Meeting w.r.t discrepancy in Profit Before Tax (PBT) between XBRL and PDF – Financial Results submitted on November 13, 2025

Symbol – TIMESCAN

Dear Sir/Ma'am,

This is with reference to your communication regarding the discrepancy observed in the Profit Before Tax (PBT) figures between the consolidated financial results submitted by the Company in XBRL format and the PDF filed with the Exchange for the half year ended September 30, 2025.

In this regard, we wish to submit that the aforesaid discrepancy arose due to an inadvertent classification of minority interest in the XBRL filing, which resulted in a mismatch of the PBT figures between the XBRL submission and the PDF financial results.

We respectfully clarify that while minority interest is applicable to the Company, the same **does not have any impact on the Profit Before Tax (PBT)**. Accordingly, for the purpose of aligning the PBT figures with the PDF financial results approved by the Board of Directors, the said classification has been corrected and the Company has **submitted the revised XBRL filing**, wherein the PBT figures are now fully reconciled with the PDF filed with the Exchange on November 13, 2025.

We further confirm that there is **no impact on the revenue, profitability, or financial position of the Company**, and the discrepancy was purely on account of an inadvertent classification error in the XBRL filing.

We regret the inconvenience caused and assure you of our continued compliance with the provisions of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

The Exchange may please take the above clarification on record.

Thanking You

Yours Faithfully,

For Timescan Logistics (India) Limited
