NTPC-NPCIL JV floats ₹28,000-crore tender

SAURAV ANAND
New Delhi, July 16

ANUSHAKTIVIDHYUTNIGAM (ASHVINI), the joint venture between NTPC and Nuclear Power Corporation of India (NPCIL), has invited bids for a ₹28,000-crore engineering, procurement and construction (EPC) package for the 2.8-GW Mahi Banswara Nuclear Power Project in Rajasthan, marking the largest nuclear-island tender under India's indigenous reactor programme.

The package covers the primary infrastructure for four 700-MW pressurised heavy water reactors (PHWRs) based on indigenous technology. It includes the nuclear building raft, reactor building internal structures, the heavy-water upgrading plant, plant-water systems and waste-manage-

REACTOR PUSH

■ The project includes four **700-MW** indigenous pressurised heavy water reactor units together

■ India currently operates 24 nuclear reactors with **8.78 GW** installed capacity

■ Another 10 nuclear reactor units totalling **8,000 MW** remain under construction

■ Govt targets **100 GW** nuclear power capacity by 2047 mission deadline

ment facilities. The nuclear island houses the reactor and systems needed to produce steam and ensure safe plant operation. According to the tender document released on Thursday, the two-part bid covers the "engineering, design, supply, inspection, testing, packing, forwarding, transportation to site, guarantee, storage, fabrica-

tion, civil works, erection, examination, testing, commissioning, operation and maintenance as per the tender specification of nuclear island mega EPC package (NIMEP)" for the project.

NPCIL, in a post on X, said the package, estimated at more than ₹28,000 crore, is the largest ever floated under India's indigenous PHWR programme.

Highway construction down 44.9% in Apr-May

FE BUREAU
New Delhi, July 16

THE PACE OF highway construction in the first two months of this financial year fell 44.9% on-year to 740 km and the pace of award of new road projects also went down by 19.1% to 369 km, according to the government data.

Experts attribute the slower pace of construction to the muted central road award activity of the past two years. Key reason for drop in awarding is change in approach of the government. It is now insisting that all land acquisition and other clearances are in place before a project is awarded to reduce delays in completion.

The capital expenditure by the Ministry of Road Transport and Highways (MoRTH) during the first two months was down 0.6% on-year to ₹59,090 crore, according to quarterly update of performance monitoring dashboard of infrastructure

sector by Ministry of Statistics and Programme Implementation (MoSPI).

Road project awarding has slowed down in the last two fiscal, which is impacting the order-book of road contractors. Consequently, the execution is likely to witness continued pressure in FY2027 as well, after witnessing contraction for second consecutive year in FY2026. Moreover, elevated bitumen prices and along with supply constrain related to bitumen availability during April-May 2026 also impacted road construction activity, senior vice president ICRA, Ashish Modani said.

We must sell tourist experiences, not just destinations: Minister

SUGANDHA MUKHERJEE
New Delhi, July 16

INDIA SHOULD POSITION itself as an experience-led destination rather than merely a place of monuments, Union Tourism Minister Gajendra Singh Shekhawat said on Thursday, urging policymakers and industry to view tourism as a civilisational asset capable of driving jobs, investment and the country's global identity.

His remarks come as the World Travel & Tourism Council (WTTC) projects India's travel and tourism sector to continue outpacing the broader economy. According to the WTTC's 2026 Eco-

nomics Impact Research, the sector is expected to grow 8.5% this year, faster than the country's projected GDP growth of 6.4%, contributing \$286.1 billion to the economy and supporting 48.1 million jobs. Domestic tourism is expected to remain the main growth driver, with domestic visitor spending estimated at \$218 billion, accounting for nearly 85% of total tourism spending.

However, WTTC data also highlighted India's inbound tourism challenge. The country received an estimated 18.6 million international visitors in 2025, while Indians spent \$34.6 billion on overseas travel.
