Dear Sir,

Sub – Intimation regarding fire at third party warehouse in Pune

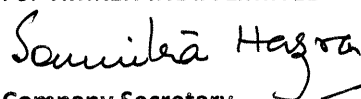

Timken India Limited would like to inform that a fire broke-out in our third party logistic provider's warehouse in Pune on Sunday morning. No one was injured in the incident but there seems to be substantial damage to the Timken inventory held under trust with the third party logistic provider. The extent of loss is being ascertained by competent authorities.

We wish to reassure all our stakeholders that we are trying to restore regular operations as early as possible through our business continuity plan and working towards minimal impact on customer delivery schedules.

Thanking you,

Yours faithfully,

For TIMKEN INDIA LIMITED
