Dear Sirs,

**Re.: Intimation regarding Optimistic Organic Sdn. Bhd., Malaysia (OOSB), a subsidiary of the Company**

**Ref.: scrip code: 500412 / TIRUMALCHM**

We hereby inform you that Company has noted that the Maleic Anhydride business of the step down subsidiary OOSB is performing poorly. This is mainly due to the business situation in China and Far East in recent years; and the more recent impact on the markets arising from the US and other tariffs, etc.

Our subsidiary M/ s Cheminvest Lte Singapore, which is the majority shareholder in OOSB, is studying all suitable options for value accretion, including but not limited to divestment in full or in part, partnership, etc.

We will keep shareholders, Stock Exchanges, the public and regulators suitably informed of progress as needed.

Thanking you,

Yours faithfully,  
For **THIRUMALAI CHEMICALS LIMITED**

**R. Pramod Kumar**  
Company Secretary
