Groundnut crop floods APMC yards, overseas demand keeps prices firm

GOPAL KATESHIYA
RAJKOT, NOVEMBER 4

AGRICULTURAL PRODUCE market committees (APMCs) in Saurashtra region of the state are flooded with groundnut arrivals but the price of the oilseed crop has held firm with China aggressively importing the Indian variety.

The APMCs at Gondal, Rajkot, Halvad, Jasdan, Jamnagar, Amreli, Visavadar and Junagadh — the eight largest wholesale markets of groundnut – have already recorded cumulative arrivals of more than eight lakh quintals in the first two months of the Kharif marketing season of 2020-21. Around six lakh tonnes of the arrivals were recorded in October, generally considered the beginning of the groundnut marketing season.

These arrivals are significantly higher than the corresponding period in 2019 which saw a bumper harvest of groundnut in Gujarat, also the biggest producer of the oilseed in the country.

Despite the supply glut, the average price of the groundnut at Gondal APMC, the oilseed's biggest market in the state that sets the benchmark price, the modal price (the price at which most of groundnut is sold) has been around Rs 5,000 per quintal, marginally lower than the government-fixed minimum support price (MSP) of Rs 5,275, but higher than around Rs 4,750 during the corresponding period last year.

In fact, prices at Rajkot APMC, the second biggest market of the oilseed in Gujarat, were ruling at the MSP level till last week, with some varieties like G-9 selling as high as Rs 6,500.

At Jamnagar APMC, the price touched the peak of Rs 7,000 as traders from Tamil Nadu went broke to secure G-9 variety stocks for being used as seeds for sowing. "More than 30 traders from Tamil Nadu are still camping in Jamnagar and are buying aggressively the smaller varieties... This has ensured that the prices of these varieties are still around Rs 6,000," Tulsi Nandasana, a groundnut trader at Jamnagar APMC, said.

Groundnut is the second-most-important cash crop of Gujarat. Last year, the state government had estimated the groundnut crop size to be 45.03 lakh tonnes (lt) while industry bodies, like Saurashtra Oil Mills Association and the Solvent Extractors Association (SEA) of India, had pegged it at 30 lt and 32.5 lt, respectively. This year, the state recorded sowing in record 20.72 lakh hectare, an increase of around 34 per cent as compared to the previous year. The First Advance Estimate of the state government has pegged the total groundnut production in the state to 54.64 lakh, whereas SEA has pegged it at 35.45 lakh.

The central government began procurement of groundnut at MSP from farmers of Gujarat from October 26 onward and, by Wednesday, it had procured total of 1.94 lakh quintal of the oilseed from 10,626 farmers. Notwithstanding the government intervention, APMCs in Saurashtra are struggling to cope with the arrivals of the oilseed on their yards.

Except for Halvad, Amreli and Visavadar, other APMCs are allowing farmers to unload their groundnut only once or twice a week as their systems are struggling to trade the large volumes. Both Gondal and Rajkot APMCs have been recording arrivals of more than one lakh bags (each containing average 30 kg of groundnut-in-shell) on days the yard opens its gates to farmers, generally once a week.

Despite the glut, prices have remained firm due to overseas demand, say market functionaries. "China has been aggressively importing groundnut oil this season. India has already exported an estimated 20,000 tonnes groundnut oil in recent months. This is helping the prices in the domestic market. The generally high prices of all commodities and groundnut oil finding traction among Indian consumers is also an important factor which is supporting the current price levels," Atul Chaturvedi, president of the Mumbai-based SEA, said.

Navnit Kavathiya, an oil-miller based in Gondal, said import demand by China is influencing the prices in Gondal. "As China is importing groundnut oil big time, we are purchasing groundnut from APMCs anticipating the scenario is not going to change very soon," Kavathiya said.

Trucks loaded with groundnut line up outside the yard of Gondal APMC in Rajkot district. *Express*

Two FIRs against seven for pasting photos of French President on road

EXPRESS NEWS SERVICE
AHMEDABAD, NOVEMBER 4

DAYS AFTER posters of French president Emmanuel Macron were pasted on a road stretch in Juhapura of Ahmedabad, protesting his recent remarks on Islam, police filed two first information reports (FIRs) on Tuesday night at Vejalpur and Shahpur police stations against seven accused, including a Congress corporator.

On November 1, five persons were taken into custody by the Vejalpur police under section 151 of CrPC for pasting posters of Macron on the road in Juhapura.

According to police, an FIR was filed on Tuesday against seven persons, including Haji Asrar Beg Mirza, Congress councillor from Maktampura ward, under Indian Penal Code sections 188 (disobedience to order given by public servant), 269 (negligent act likely to spread infection of a disease), 270 (malignant act likely to spread infection of a disease) and 120b for criminal conspiracy apart from sections of the Disaster Management Act, Press and Books Registration Act and Prevention of Damage to Property Act.

The other six accused are Mohammad Yunus Qadri, resident of Juhapura, Nazmaben Qureshi, a resident of Fatehwadi, Mohammad Yunush Shaikh, a resident of Juhapura, Mustakeem Master, a resident of Sarkhej, Mohammad Salim Shaikh, a resident of Vishala in Ahmedabad and Abdul Shaikh, a resident of Juhapura. The FIR states that 15 persons, under a planned conspiracy, pasted 150 photos of Macron, with boot mark imprinted on it, on the road in Juhapura.

Another FIR was lodged at Shahpur police station on Tuesday night against two unknown accused under IPC sections 188, 269, 270 120B and sections, the Disaster Management Act, Press and Books Registration Act and Prevention of Damage to Property Act after 50-60 posters of Macron were seen pasted on the road near Shreyas School in Shahpur on November 2 night.

In both the FIRs, police personnel are the complainant.

'ROUTINE MAINTENANCE'

Within 3 days, service of seaplane suspended

AVINASH NAIR
AHMEDABAD, NOVEMBER 4

THREE DAYS after beginning commercial operations, the seaplane service between Statue of Unity and Ahmedabad was suspended on Wednesday for a "routine maintenance" of the aircraft.

SpiceJet has wet-leased a 18-seater Twin Otter 300 seaplane from Maldivian Aero, the national airline of Maldives. A wet lease is an an agreement between two airlines, where the lessor agrees to provide an aircraft, crew, maintenance and insurance to the lessee.

"The aircraft will undergo routine maintenance for two days. There will be no seaplane operations on Wednesday and Thursday," said an official of SpiceJet who did not wish to be identified. The aircraft is expected to be back in operation on November 6.

The aircraft, which is being operated by Maldivian crew, can accommodate two pilots, one attendant and 15 passengers. It took off from Male, Maldives, before October 25 and landed on Ahmedabad on October 27, 2020. Prime Minister Narendra Modi inaugurated the seaplane service on October 31. The seaplane is 49 years old. As part of the lease agreement, "one set of crew and engineers with back up" have come with the seaplane.

"It has been flying continuously for the past one week and hence some maintenance was needed," the official said. SpiceJet has planned four flights on the route between Sabarmati Riverfront and Statue of Unity. However, only two flights were being operated daily (11 am and 2.30 pm) from the riverfront since November 1.

"The Twin Otter 300 is a small turboprop aircraft. These aircraft need more maintenance than bigger jets. Since the operations have just begun, maintenance is being done during the daytime.. The aircraft is fitted with remarkably efficient Twin Turboprop Pratt & Whitney PT6A-27 engines, known for their reliability. The aircraft has an incredible accident-free history," SpiceJet stated in response to a questionnaire mailed to them regarding the aircraft's maintenance.

"The seaplane chosen by SpiceJet is one of the safest and most widely used aircraft the world over and in Maldives. The aircraft has been serviced at regular intervals and is in top class condition," the airline stated.

The seaplane is docked at jetty at the water aerodrome in Sabarmati Riverfront, where the maintenance work will be undertaken. "As per the lease agreement, maintainance is the responsibility of the Maldivian firm," the SpiceJet official added.

Despite the break in operations, inquiries continued to pour at the booking window of SpiceJet at the Sabarmati riverfront water aerodrome. PK Gohil, a resident of Ambawadi who came to inquire about the seaplane bookings, said, "I was not able to place a booking request on the Spice Shuttle website and so I visited the water aerodrome in person... I was told that the seaplane is under maintenance... They asked me to place my booking request online."

Gohil and his family is looking to travel one way to Sol. "The lady at the booking window told me that the tickets will be priced differently and it will cost us on an average Rs 2,500 per person for a one-way ticket," he added.

During three days of operations, an estimated 100-odd persons have already flown the seaplane between the two locations in Gujarat.

Subordinate courts to start physical functioning from Nov 23

EXPRESS NEWS SERVICE
AHMEDABAD, NOVEMBER 4

THE GUJARAT High Court issued a circular Wednesday notifying that subordinate courts would resume physical functioning from November 23.

The circular, issued by the Registrar General, stated all subordinate courts, except those at district headquarters of Ahmedabad, Surat, Vadodara and Rajkot, and within micro-containment zones, would start functioning physically at full strength of all judicial officers and staffers. All categories of cases, it said, would be taken up for hearing on all working days. Judicial officers, however, could exercise their discretion, and subject to the agreement of all parties involved in the case, conduct virtual proceedings, the circular said.

The guidelines issued by the Gujarat High Court earlier directing that physical copies of fresh cases filed should be kept untouched in an envelope for 24 hours before being sent to the filing centre would continue, it added. The HC also said principal district judge or principal judicial officer "should not issue any separate circular with respect to the physical functioning of courts without prior permission of the high court".

Issuing standard operating procedures (SOPs) for resuming physical functioning in subordinate courts, the HC directed the principal district judge or the principal judge to appoint a 'Covid officer' along with dedicated staff to "plan, oversee, execute and supervise all activities related to Covid-19 in each and every court establishment", which would also include taking a round of the court buildings every day. Frequent sanitisation of frequently touched surfaces, especially door handles, railings and seats, should be followed, it said. Premises with multiple gates or entry points would have to restrict it to a single point of entry, it added.

HC gives clean chit to BJP MLA in 2014 bypoll 'bribery' case

EXPRESS NEWS SERVICE
AHMEDABAD, NOVEMBER 4

THE GUJARAT High Court gave a clean chit to state BJP legislator and former state minister Purshottam Solanki in a 2014 bribery case Wednesday. It also quashed and set aside a magistrate court's order whereby the offence, under IPC section 171 E (bribery), was registered against Solanki and summons was ordered to be issued.

In April 2014, Solanki was designated a star campaigner for the BJP in the state Assembly bypoll. At Jasdan, he was found in possession of Rs 2.75 lakh in cash, which is above the Rs 1 lakh-limit prescribed by the Election Commission of India. During the inquiry, Solanki could not provide a satisfactory explanation, thereafter the cash was seized and a police complaint at Jasdan police station was filed in 2015, alleging that Solanki had aimed to malign the election process and entice voters.

A November 2015 police inquiry report submitted before the Jasdan magistrate court had stated that no offence, as alleged, was made out against Solanki. However, the magistrate in December 2015 had directed registration of non-cognisable complaint against the BJP leader. This was challenged before the Gujarat High Court in 2016.

While giving a clean chit, the high court bench of Justice Gita Gopi held Wednesday that ingredients of the offence of bribery was not made out and there was nothing on record "to show that the petitioner (Solanki) had either given or had offered the said amount as a bribe to someone or had accepted the same from anyone, much less any evidence to show that the petitioner had given or had offered any gratification by way of cash amount to any person with the object of inducing him or any other person to exercise any electoral right or of rewarding any person for having exercised any such right".

Quashing and setting aside the magistrate court's order as well as any consequent proceedings that may have been initiated, Justice Gopi observed that the order was passed "without any basis" and was based on "assumptions and presumptions".

Relying on the investigating officer's records of bank statements and statements of Solanki, his son and security personnel, who was then accompanying the BJP leader, the HC verdict stated: "No cogent reasons have been assigned by the court below while directing registration of complaint under section 171E of IPC..."
